university world.....
organizational world....
athletic world.....
intellectual world.....

this is our world . . . USL

*here, where the world is quiet;
here, where all trouble seems
dead winds' and spent waves' riot
in doubtful dreams of dreams.*

Algernon Swinburne

*and the wonderful grass upon your
breast,
world, you are beautifully drest.*

William Rands

look not thou down but up!

Robert Browning

*the world will never starve for wonders;
but only for want of wonder.*

G. K. Chesterton

*o brave new world,
that has such people in't!*

William Shakespeare

*all the world's a stage,
and one man in his time plays many
parts.*

William Shakespeare

*the soul of man is like the rolling
world,
one half in day, the other dipt in night;
the one has music and the flying cloud
the other, silence and the wakeful stars.*

Alexander Smith

there are loyal hearts, there are spirits
brave,
there are souls that are pure and true;
then give to the world the best you
have,
and the best will come back to you.

Mary Ainge de Vere

*I am a little world made cunningly
of elements, and an angelic sprite.*

John Donne

*the world is made of mud and
marble.*

Nathaniel Hawthorne

*such harmonious madness
from thy lips would flow,
the world should listen then, as I am
listening now*

Percy Bysshe Shelly

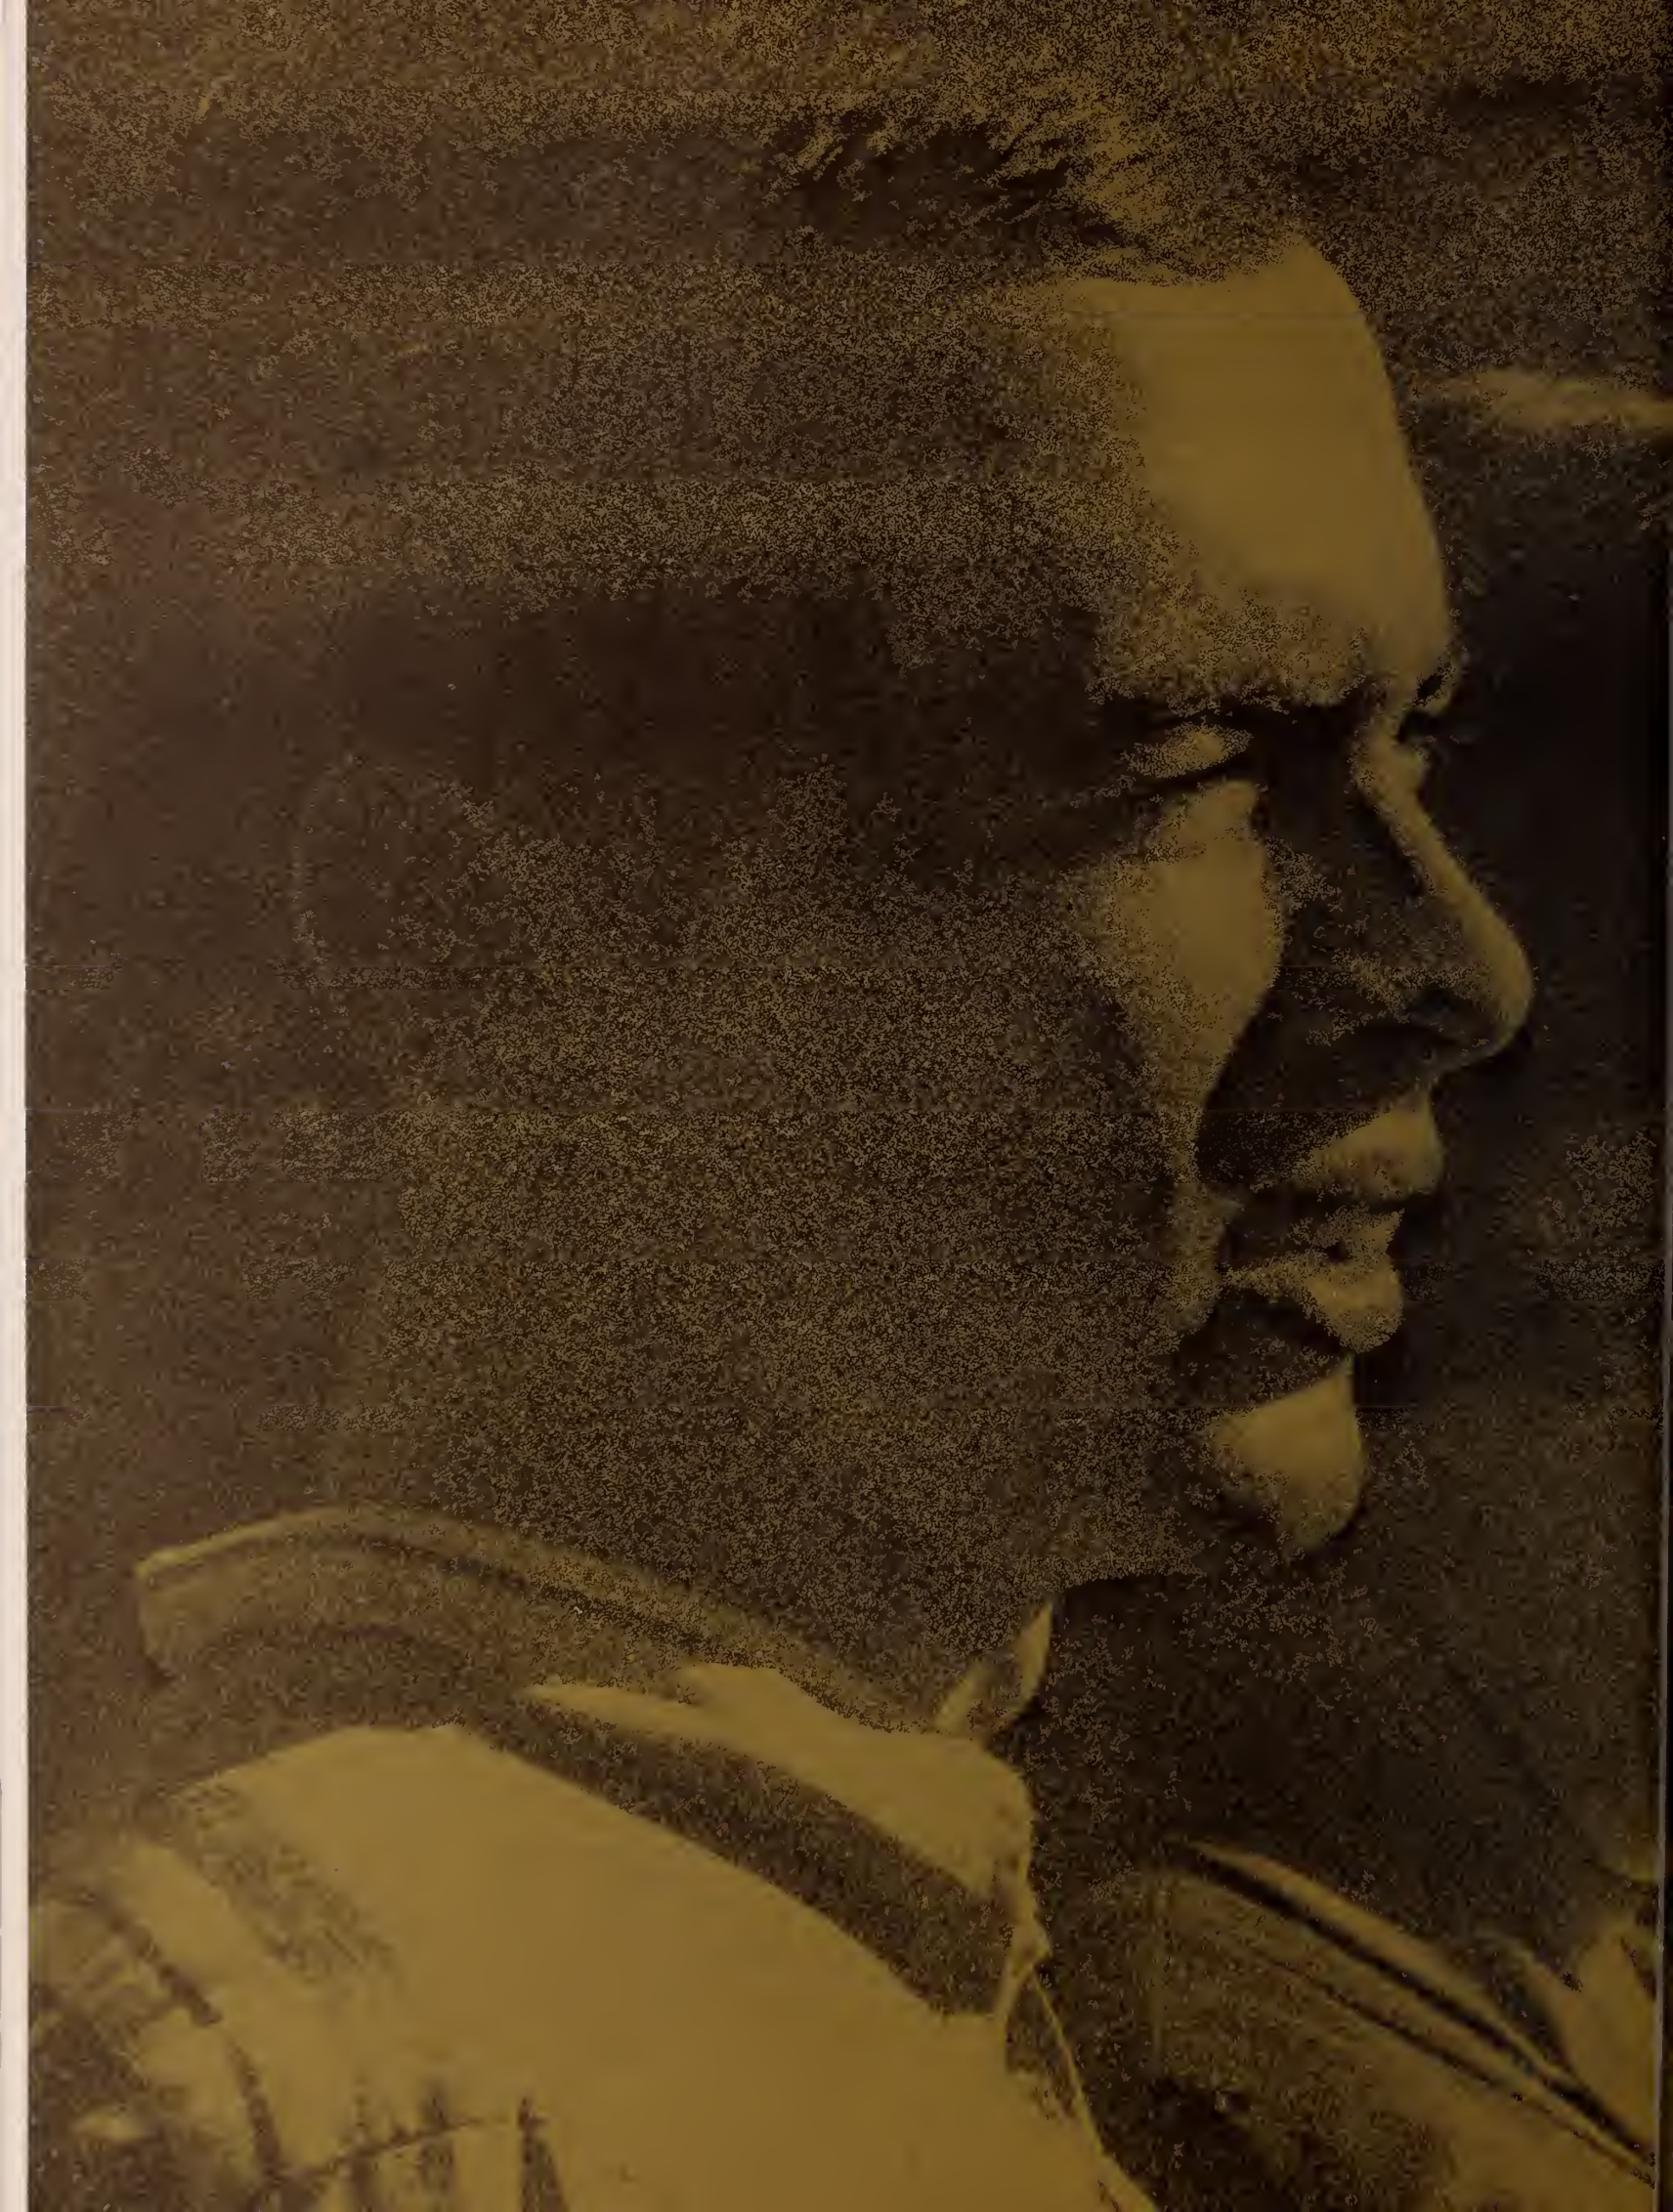

*to see the world in a grain of sand
and heaven in a wild flower,
hold infinity in the palm of your hand
and eternity in an hour.*

William Blake

university world

In a world of her own

You want to join a fraternity!

A friendly handshake is ever common.

Sigma Nu holds open house.

Rushees look through Theta Xi scrapbook.

A moment to think.

Actives familiarize rushee with K.A. life.

Through "rush" the prospective pledge is given a chance to meet and become familiar with the different fraternities.

The many smokers and socials offer him time to decide on the fraternity most suited for him.

Tri Delta presents a skit from "The Sound of Music."

"Toy Land" dance by Alpha Omicron Pi.

Delta Zeta entertains rushees with flapper party.

Anxiety mounts as coeds wait to get their bids.

Acceptance is joy and tears.

Sorority life is, in essence, friendship, participation and often security. Rushing, pledging and induction along with learning the songs, going to teas, dances and parties serves to familiarize the girls with sorority life. A significant part of each girl's life but distinct.

Dean Agnes Roth gives bid to an anxious rushee.

Ann LeJuene gives last minute instructions to models.

New changes in fashion styles were shown by the Associated Women Students in their annual fall fashion show.

The styles of formal, casual and sports wear were all shown. Many styles were new but not drastically different.

Participants talk over new fads before modeling.

Michele Dufilho leads the parade of fashions.

Pam Lennox adds the distinctive flare to casual dress.

Ann LaCour models new styles in sports wear.

The prosecution asks for the full sentence.

Kangaroo Kourt sponsored by Circle K produced a wide variety of fun and entertainment for all.

The freshmen were more than willing, in most cases, to put up with the antics of their upperclassmen. The desire to participate seems to indicate the making of a great future for USL.

The judge hands down the sentence.

Freshmen serve sentence.

The obvious is unknown to the defendants.

Mom Peterson reads while her boys are tamed.

The only way to get it.

A helping hand for a job well done.

Alpha Omicron Pi chugs along for a bulldog victory.

Preparation for Homecoming began weeks ahead of time and as the day grew nearer things began to get hectic. With the planning and building of the parade floats and dorm decorations, things started to take shape. The AFROTC parade proved a great success and the bonfire served to ignite homecoming spirit.

Sigma Nu's teamwork aids in producing a first place decoration.

Spirits fly high as the football team enters stadium.

Coach Russ Faulkinberry seems pleased with first half.

Alumni Band performs their annual show during half-time activities at the Homecoming game.

Crowd views festive homecoming halftime.

Danny Abel escorts Dean Agnes Roth on to the field.

Dean Agnes Roth is presented yellow roses for her many years' service.

Homecoming activities for 1967 were culminated with the honoring of Miss Agnes Roth, Dean of Women. In honor of her many years of service, teas and luncheons were given by various organizations. During half-time she was presented with flowers by the student council.

Performing for the half-time ceremonies, the Alumni Band contributed the music while the Sweethearts executed the dance for the "circus" theme.

Members of the 1967 Homecoming Court are Linda Finley, Dale Delcambre, Queen Jeanie Stein, Linda Judge and Cheryl Edney

Phi Mu combines animation and good presentation to secure a first-place sorority decoration.

Originality gives Agnes Edwards House first place for dormitory decoration.

Paul Villien conducts blood experiment.

Research is the basis of all knowledge. It is conducted in all fields to improve our way of life. Through observation and experimentation, man searches for objectives, retraces steps, reviews findings and finally presents a theory.

Only through research can theory be turned into fact—thus, giving way to new fields of research and continuing the never ending quest for knowledge.

Dr. Joseph M. Sobek conducts project in heart research.

Ronald Ritchey conducts experiment in blood research.

A. James Delahoussaye, biology instructor, studies orchid collected in Mexico.

Dr. John Marangozis studies corrosion problem.

Examining reptiles and amphibians collected on a scientific expedition to Mexico are Robert Thomas and Donald Ashurst.

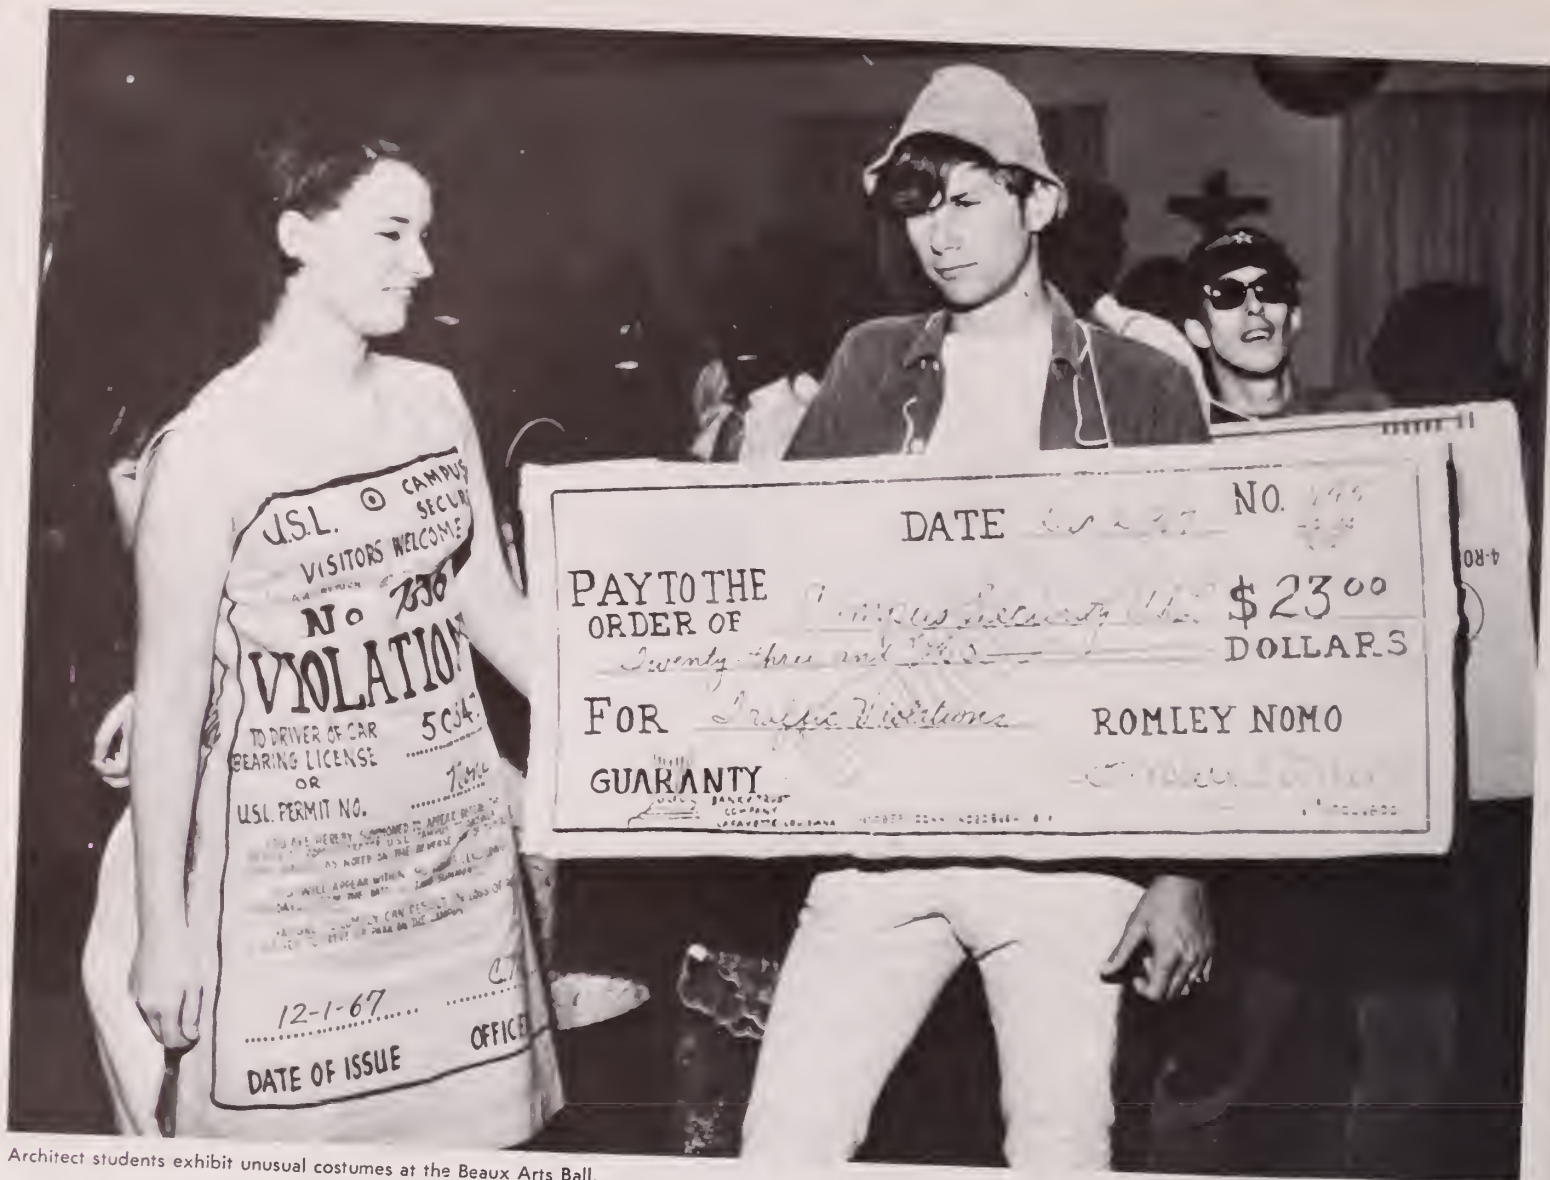

A time to be pensive.

The scarecrow of Dogpatch

The prey has been captured!

The Little Drummer Boy

Performance, movement—acts so typical of university students. Types of physical, rythmical actions coming under the influences of a good band, and an equally good date yield fun and entertainment.

Jon and Robin and the In Crowd provided memorable entertainment.

Liz Bourque shows moments of happiness as her name is called as a Miss University Finalist.

"I can't believe it!"—Miss University 1968, Linda Craig

Dave Bruce is undecided with the many choices.

Students decide on their choice.

Sherry Kerr, 1967 Miss University, crowns the new Miss University, Linda Craig.

Chosen as "Favorites" were Linda Trappey, Judy Richard, Ann La Cour, Cathy Haydel, and Beverly Broussard

"Miss University," a title befitting the most radiant and charming girl on campus, is named at the annual Miss University Christmas Ball.

Selection is made on the basis of beauty, personality, and achievement.

This year's Miss University is the vivacious Linda Craig.

Linda Craig enjoys a dance with her date.

Adding a festive touch to the community, Lafayette becomes much more than a growing metropolis of the Acadian country. Arrangements of ornaments, decorative shopping centers and Christmas trees add to the mirth and merrymaking.

And what do you want for Christmas?

Christmas spirit

French Club sings native carols at the Foreign Language Christmas Party.

Santa leads carolers at AWS carol night.

With the approaching Christmas holidays students were surrounded by the sights and sounds of Christmas. Door decorating, caroling, tree-trimming and peppermint sticks added to the fun and festivity.

While boyfriends hurried around trying to find that perfect gift, the co-eds celebrated at the various dorm parties.

Santa prepares for Christmas party at Bonin Hall.

Newly completed Dupre Library captures the night light.

Art students view sculpture by night.

Dormitory steps are busy night spots.

The world of darkness obliterates the long road of a hard day or highlights the excitement of a fun-filled evening.

Darkness brings quiet times for thinking, wondering, walking, and studying. It creates, distorts and diffuses.

Impressive lighting casts a romantic silhouette.

Night time brings two together.

Arches of Agnes Edwards add beauty to the night.

Student hurries to finish term paper before final exams.

Sleep is taken whenever possible during exam week.

Physical education exams are taken on the floor.

Library desks are excellent places to study for exams.

Final exams signify the end of another semester. Whether one passed or failed the knowledge gained far exceeded the knowledge that one started with. It also signified the means to an end—a diploma or the continuance of another semester.

Last minute information is found in library.

Judy Searcy tries to maintain precarious balance at Greek Week activities.

Greek Week is a good chance for friendly competition between the Greeks on campus. It is a week of relay races, egg-throwing contests and bicycle and canoe races.

The climax of the week is a dance at which the Greek Week queen is chosen from representatives of each sorority on campus.

Hurry . . .

Canoe racing was one of the highlights of Greek week.

Student enthusiasm coupled with a winning team, gave the USL campus a spirit of excitement and anticipation for the sports seasons to come. Sororities and fraternities bucking for the school spirit award, freshman enrollment hitting new heights, plus the weekly Friday afternoon pep rallies in the "stu" added to the feeling of a winning season.

Back the Bulldogs was the theme of this year's school spirit.

Bulldog spirit centered around Gee.

Cheerleaders strengthen school spirit

Overwhelming spirit was shown at all pep rallies.

A clown delights the crowd at Circle K's student-faculty basketball game.

Circle K basketball game proved interesting.

The Circle K Basketball game offers the students and faculty a chance to see who is best at basketball.

The faculty also has the opportunity of putting on a delightful half-time show with the men teachers dressing as women and putting on skits.

Cream of the crop.

Aggie students enjoy a wet tug-of-war.

The Annual Aggie Day festivities are always enjoyed by the students of the College of Agriculture, as well as the student body as a whole. With such events as the lamb dressing contest, cattle shows, and a tug-of-war everyone gets an opportunity to participate in the day's activities. Aggie Day is climaxed by the crowning of a queen and a banquet.

Jerry Bostick shows prize calf.

Mary Hymel and Schelly Dosie dress lamb in Aggie day event.

Super Snow Job # II was an experience long to be remembered.

Sponsored by the Program Council of the USL Student Union, the trip provided the participants with opportunities for ice-skating, sight seeing and snow skiing.

Awaiting buses to Red River are, from left, Elvira Frick, Latrell Greig, Paul De Mahy, Dave Bruce and William Hite.

Beth Beaulieu dreams about Red River.

They expect me to go down that slope?

I never thought I would make it down!

Joanna Levet finds Red River skiing to her liking.

Shriners provided enlightening escort for 1968 Mardi Gras parade.

Spectators pack streets to see the Mardi Gras parades.

USL Band provides festive music for the occasion.

What are you supposed to be?

Spectators yell "throw me something, Mister!"

Whether attending spectacular pageants and balls or participating in the day of merry making, enthusiastic Mardi Gras fans were contented with what they saw.

As the long-awaited day ended, plans were begun for next year's Mardi Gras.

At the Louisiana State Society's Washington, D.C. Mardi Gras Ball are, seated from left, Phyllis Montgomery, Cotton Queen; Patricia White, Sugar Bowl and Floral Trail Queen; and Kathleen Dowty, 1967 Lafayette Mardi Gras Queen. Standing, from left, are Miss Margaret McMillan, chaperone; Charlene Buillard, Washington Mardi Gras Ball Princess; Senator Russell B. Long, host; Jean Vidrine, Vermilion Parish Queen; and Margaret Michelle Ackal, Washington Mardi Gras Princess.

ELROD SERRETTE—Editor-in-chief

L'Acadien

Above the bookstore is the "L'Acadien" office, an office with its own breed of creators; its own moods, slow and easy or rushed and excited; its own type of 10 p.m. breaks at Burger Chef and Christmas parties; its own manner of chaos.

"L'Acadien 1968" began to form in the summer of 1967, when Elrod, Cathie, and Sue visited Taylor Publishing Company in Dallas to choose a cover design, and theme, and to draw up the opening section. That was a mere beginning. In the Fall, "L'Acadien" took over eating, sleeping, study and play time. Hundreds of hours were spent on lay-outs, cropping, copy and captions.

Often the task seemed impossible, as fingers cramped, minds grew dull, and tempers short. Every deadline met was an occasion for celebration, but it was not until the final deadline, February 28, that we realized the true satisfaction of hours of hard work and striving, the "1968 L'Acadien."

Exile

Exile gives the students of the University of Southwestern an opportunity to display their writing talent in the form of plays, poetry, essays, critical articles and short stories.

Students with creative minds may submit their writings to the editors of *Exile*. The biggest enjoyment the student can receive is to see his writing in print. But the difficulty the editors of *Exile* encounter is to select the material that is suitable for print.

Published biannually by Sigma Tau Delta, honorary English fraternity, *Exile* is the University's only student literary journal.

Vermilion

DOUG MANSHIP—Editor-in-chief

The wit, charm, and sincerity expressed in the *Vermilion* have established it as an outstanding part of the University of Southwestern.

Within its pages are interviews with important people on campus, colorful and exciting sports news, perplexing and somewhat clever editorials, numerous articles of every type, and cartoons of every shape and size. The articles are composed not only by the staff members, but also by other campus citizens interested in campus affairs.

Sculpture preparation requires diverse skills.

Students learn the fundamentals of color and design basic in art.

Advertising design classes allow the student to explore the field of commercial advertising.

Creative expression through painting.

The sculpture lab provides a workshop for artistic creation.

The USL art department offers a four year study course, the first two years being a general course of study in which students learn the fundamentals of design and become acquainted with the various fields of art which are open to them. After these introductory years students may choose to major in any of the fields such as fine arts, painting, sculpture, or graphics. A student may also take one of these fine arts as an elective if he chooses to follow a major course in advertising. The art department offers to USL students of all fields a film series and lectures throughout the year. It also holds an annual Architects' Day with displays indoors and outdoors. The gallery in Browns Ayres Hall displays the best work of students as well as shows by well known artists and photographers.

The advertising department makes annual field trips to major advertising centers such as Houston and Dallas, and USL students have the opportunity to show their work in competition with other Gulf States schools.

The art department does much of the art work which appears at USL. Students design the covers for the school catalog and "Exile" magazine and provide illustrations within "Exile." The USL art department can easily be called one of the cultural centers of USL activity.

Dr. Jimmie Buie demonstrates the proper method for melting metals for use in jewelry design.

Architecture students practice their art.

USL Dance Theatre Group in "Annie Get Your Gun."

Stephanie Moroux, Carol Perram, Linda Thibodeaux, Wanda Dickey, Rene Resweber in "Suite Five."

Richard Williams and Carol Perram in "Light and Dance."

USL can be rightfully proud of its Dance Theatre Group which is a small but dedicated organization of dance majors and other interested students. The dancers appear in nearly all USL Opera Guild productions and this year were part of an intermedia art program held in conjunction with other art groups. The students are under the direction of Mrs. Muriel Moreland, USL Dance Director.

Donna Viola and Rodney James in "Light and Dance."

Sherill Boutte and Linda Thibodeaux dance in "The Merry Widow," presented by the Opera Guild.

Sweethearts, bigger and better in 1967, add beauty and glamour to the annual Homecoming parade.

Dal Kane, Sweetheart president, heads the formation in Lafayette parade.

New costumes enhance the Sweethearts' attractiveness.

Sweethearts is a dance-performance group of forty girls which performs at all home football games. Under the professional supervision of Choreographer Kathy Daly, Sweethearts in '67 rose to new heights with a totally new look, performing eye-catching dance routines in dazzling red velveteen costumes to such hits as "Sock It To 'Em" and "Watermelon Man" for Ragin' Cajun fans. As a service organization, the Sweethearts boost U.S.L. spirit at pep rallies and various sports activities. They also serve as official hostesses at the Alumni tea during the Homecoming festivities.

Lolly Woodside, Janet Pourciau, Diane Chustz and Sharon Dykes show off the new sweetheart look.

USL Marching Band

Preparing for one of the many band excursions.

In their new red uniforms, the U.S.L. band, directed by Mr. John Gilfry, adds a great deal to both the school spirit and cultural climate of U.S.L. It is composed of students from every college of the University. Numerous concert appearances, pep rallies, football and basketball games, Mardi Gras and Christmas parades are all a part of the band's program of events. The band helps to enhance U.S.L.'s image by an annual concert tour to high schools throughout the state.

The band in action marching in the Christmas parade.

The University of Southwestern Louisiana Chorus.

The Madrigal Singers in "The Taming of the Shrew."

The University Chorus under the direction of Mr. Willis Ducrest is composed of music majors as well as students pursuing other courses of study, who select chorus on an elective basis. The chorus is presented in concert in Angelle Hall during the Winter season and performs selections from each music period. It presents annually a joint concert with the U.S.L. Band for the Lafayette Civic Clubs' annual Christmas banquet. Many of the chorus members also perform in U.S.L. opera presentations. The Madrigal Singers, composed of chorus members and formed last year, joined with the Speech Department in its production of "The Taming of the Shrew", setting an Elizabethan mood.

The University Concert Band

JOHN GILFRY, Director.

Concert Band members in action.

Composed of community members of all ages, USL students and faculty from all major fields, and under the able direction of conductor James Burke we find the University Orchestra. This orchestra participates annually in two major concerts, the production of operas and musicals, and it contributes chamber music groups to various musical functions. It also performs at graduation.

The University Concert Band also holds a spring and fall concert as well as its yearly concert tour to the high schools. During the summer it holds weekly concerts outdoors near Cypress Lake. It is directed by John Gilfry.

The University of Southwestern Louisiana Orchestra

Don Colby as Petruchio in "The Taming of the Shrew."

Ginger Benedetto as Kate, the magnificent shrew.

"I can be soft on the right occasion," purrs Betty Lou Walters as she pins a rose on Ken Broussard in the summer production "The Brass Ring"

Suitors seek to win the fair Bianca.

The bridge group and gossip in "The Women" include Judy Gardiner, Betty Lou Walters, Dottie Castille, Judy Hadley, Rosalynn Jones, Ann Delahoussaye.

"You dirty little trollop . . . You Park Avenue push over!"

Dottie Castille, Mary Salassi, Judy Hadley, and Stanley Savage in "Picnic."

The USL Players have presented a variety of productions and techniques this season. "The Women", with 44 women's roles, used for the first time a revolving set. "The Taming of the Shrew", with a majority of male parts, reproduced the Shakespearean Globe Theater. "She Stoops to Conquer", an 18th century Restoration drama, contrasted sharply with the contemporary Midwestern setting of "Picnic."

Mike Landry and Judy Brownlee in "The Merry Widow"

Claire Cloninger and James Burton in "Annie Get Your Gun"

Annette Parker and John Turner in "Madame Butterfly"

Antonio Perez and Edna Perkins as Sharpless and Suzuki

The U.S.L. Opera Guild has continued in its tradition of fine musical entertainment in its production of "Madame Butterfly," "Annie Get Your Gun," and the "Merry Widow."

The richness of Puccini's music set in the delicate beauty of a Japanese garden backed the Opera Guild in its production of "Madame Butterfly."

The summer production of "Annie Get Your Gun" is the touching story of a young backwoods girl whose accurate marksmanship brings her fame and happiness with Buffalo Bill's Wild West Show.

The colorful production of the "Merry Widow" portrays the trials of a rich widow in her search for an appropriate suitor.

organizational world

student government association

A world of politics, the Student Government elections.

Student Government Association

The SGA of USL consists of official representatives from each college of the university elected by the student body of that college. These representatives serve the students to the best of their capacity by improving the student relationship on campus. Different projects to further the interest in USL included a Career Day for interested future students and a democracy seminar for the high schools in the surrounding parishes. There is also much work done by the various committees such as studying the improvements needed for the campus radio station. School spirit is promoted with the weekly pep rallies and excursions to out of town athletic events. Entertainment for the students is provided with various dances sponsored by SGA.

The Student Government Association has completed many new projects such as initiating a new Student Loan Fund, working on the new handbook in conjunction with AWS and MSGA, and publishing the SGA minutes in the Vermilion to keep the student informed on the issues discussed at the meetings.

The Student Government Association provides an opportunity for each student to express his opinion and also to work in the best interest of the University of Southwestern Louisiana.

Associated Women Students

Associated Women Students is the women's governing body at USL. The AWS serves both dormitory and commuting women, in other words all women students at USL. Some newly initiated projects combined with old projects have been a women's intramural program including volleyball, badminton, table tennis, softball, bounceball, and tennis; a president's council to advise the AWS president and composed of every president of every women's organization; a housemother's tea; freshman orientation; a handbook test for freshmen; Awards Night, where individual students and dormitories are honored for their achievement.

More importantly, the AWS has dedicated their year to Dean Agnes Roth on the occasion of her retirement. AWS played a large part in having the 1967 Homecoming festivities dedicated to her.

Associated Women Students has also concentrated on rule and regulation changes for women students. It is hoped that in the future, through AWS's efforts, an honor dormitory for junior and senior women with a 2.5 average can be established.

PEGGY BERNIARD—President

The AWS-sponsored Style Show was one of the many projects which AWS organized to acquaint the women students with all phases of university life.

Men's Student Government Association

President—LEON MINVIELLE

Men's Student Government Association is an organization of, by, and for the men students of USL. Elected officers of MSGA are the president, vice-president, secretary, and treasurer. The MSGA Board is composed of the president and a representative from each floor of each men's dormitory.

The purposes of MSGA are to promote spirit and unity among the men students of the University, to provide more leadership opportunities for men students, to create more interest in all phases of USL student government, and to promote the welfare of all men students. These aims and goals are pursued with one unified intention—that of building a better USL.

The organization serves as a forum for student government and liaison with the administration. In the last year, MSGA has co-sponsored Carol Night and has investigated the need for additional telephones in dormitories.

MSGA MEMBERS—Dalton Landry, 3rd floor representative from Roy Hall; Joe Clark, Roy Hall vice-president; Kelly Adams, Voorhies Dorm representative, and Mike Brennan, Stadium Dorm president.

Alpha Sigma Alpha

During its 27 years on the campus of USL, many traditions have been established which express the enthusiasm and sisterhood of an Alpha Sigma Alpha year. Included in the traditions are activities such as the Hula Hop, participation at the National Convention, hostesses for the State Day and the Phoenix Ball.

Alpha Sigma Alpha is also represented on campus in AWS, Southwestern Sweethearts, Vermilion staff and honorary organizations.

Participating in campus activities, helping others, sharing, and giving all go to make up the traditional Alpha Sigma Alpha year—a year devoted to the world of USL.

Nedy Rogers performs her antics in ASA's "Alice in Wonderland" theme party.

Delta Delta Delta

Very active in the many years they have been at USL, the Tri-Deltas are truly an interesting group of girls. They have been represented in various phases of university life and have always made their members proud of the fact that they were Deltas and students of USL.

Tri-Deltas have members in Angel Flight, honorary organizations, Who's Who, and the cheerleader squad.

Through their efforts the Deltas have shown a desire to participate in the ever involved world of USL.

Delta Zeta

Delta Zeta truly exemplifies the ideals in sincere and lasting sisterhood. Whether it be in work or in play, the girls enjoy themselves, when they are together.

Important activities which Delta Kappa chapter sponsors are the Flapper Dance, annual Pumpkin Carving Party and support of an orphan.

Angel Flight, USL Sweethearts, Vermilion staff, honorary organizations and professional clubs list Delta Zeta among their members.

This year has proved to be both an enjoyable and successful one because all have given of themselves to their sisters and to the world of USL.

Although it is still one of the newer sororities on the campus, Sigma Kappa has made a superb showing in the last year. Its membership has grown and there is every indication that the sisterhood will continue to prosper at USL.

Eager to be a part of the campus scene, Sigma Kappa is active in many functions and activities. Having the highest active average has gained for them membership in Gamma Beta Phi and Lambda Delta.

Sigma Kappa can be proud of its efforts and of the fact that they are an important part of the ever increasing world of USL.

Sigma Sigma Sigma

Acknowledged as the oldest national sorority on the campus of USL, Sigma Sigma Sigma truly upholds its long line of sorority tradition and sisterhood.

Both actives and pledges contribute to the unity of the group as they work together on such projects as the annual Robbie Page Memorial Dance for Crippled Children, Parent-Daughter Tea, Big Sister-Little Sister Week, and Senior Send-Off.

The Tri-Sigmas have won many honors for themselves and their sorority which further demonstrates their ability and willingness to work and strive for the very best.

There can be no doubt that Sigma Sigma Sigma is an asset and friend of our world—USL.

Chi Omega

Following in the footsteps of their sister sororities all across the country, the USL chapter of Chi Omega is proving to be an outstanding group of girls.

Although they were newly formed and inexperienced, they made a superb show this year and are destined to be one of the truly fine members of the Greek community.

Chi Omega is represented in many facets of university life and their owl symbol is a familiar sight at various pep rallies held throughout the fall semester.

There can be no doubt that in the years to come, Chi Omega will continue to be an important part of the world of USL.

Alpha Kappa Alpha

Alpha Kappa Alpha, one of the newest sororities on campus, was chartered at USL on December 16, 1967.

Alpha Kappa Alpha was organized at Howard University in Washington, D.C. in January 1908. Beginning with a group of nine founders, the membership has increased rapidly and consistently. At the end of the first decade the membership approached 200 and it later grew to a national organization with a total of more than 40,000 women scattered over more than half of the world, including Liberia, West Africa and the Bahamas.

The sorority emphasizes high scholarship, leadership, service, and exemplary character. It has as its purpose, "to cultivate and encourage high scholastic and ethical standards, to promote unity and friendship among college women, to study and help alleviate problems concerning girls and women, and to maintain a progressive interest in college life and to be of service to all mankind."

Officers are, seated from left to right: Consuella Roque, President; Delores Boudreaux, Vice-president. Standing from left to right: Millie Chambers, Corresponding Secretary; Patsy Comeaux, Recording Secretary; Charleta Guillory, Panhellenic Representative.

Inter-Fraternity Council

Acting as the governing body and guiding force of the University's ten fraternities, the Inter-Fraternity Council, at its regular meetings, plans and sets up the rules and regulations by which all the fraternities abide.

Composed of two delegates from each of the fraternities, they discuss the many problems confronting Greek men.

IFC sponsors such activities as Greek Week, Rush Week, and intramural football, basketball, baseball, and track.

Their interests are also carried over into the pledge training program. Special attention is given to public relations—of improving the fraternity picture in the eyes of the school.

Phi Alpha participates in Greek Week canoe races.

IFC members and their officers are, from left to right: First Row, Porky Burke, President, Sigma Nu; Bud Young, Treasurer, Delta Sigma Phi; Charles Dugal, Secretary, Sigma Alpha Epsilon; John Lavin, Vice-President, Kappa Sigma. Second Row: Mike Melvin, Sigma Nu; Jody Aycock, Sigma Nu; Richard Bassett, Phi Delta; Larry Hebert, Kappa Alpha; John Fleming, Phi Kappa Theta; Jeff Moss, Sigma Nu; David Bruce, Phi Kappa Theta. Third Row: Scott Scammell, Phi Kappa Psi; Darryl Falgout, Delta Sigma Phi; Charles Small, Delta Tau Delta; George White, Sigma Alpha Epsilon; Carroll Badeaux, Theta Xi. Fourth Row: Ralph Capdeville, Lambda Chi Alpha; Ronnie Ray, Lambda Chi Alpha; Dr. Z. L. Loflin, Advisor; Dewitt David, Kappa Alpha; Jimmy Palmer, Kappa Sigma; Pat Kiser, Theta Xi.

Greek Week relays

Each year, fraternities and sororities set aside one week in which they show to the school and community their Greek spirit. This week is known as Greek Week.

The week begins with a convocation at which all sororities and fraternities attend. The highlight of the convocation is a guest speaker.

During the week, there are athletic contests among the fraternities and sororities; a civic project is undertaken; and also a song-fest.

The climax of Greek Week is the Greek Ball at which time a Greek Queen and her court are announced.

Phi Alpha, now SAE, at initiation banquet.

Delta Sigma Phi

The Delta Sigma Phi Chapter on the USL campus is among the oldest international fraternities on the campus. They constantly strive to improve the over all character and versatility of their members and achieve this goal through many on and off campus activities.

Members of the fraternity last year collected for the American Legion Poppy Drive, and the St. Vincent de Paul Canned Food Drive. Their efforts have gone far, not only to improve their own image; but that of the university also.

Delta Sigma Phi conveys the image of a well rounded fraternity that has always strived to help improve the world of USL.

Kappa Alpha

Gamma Phi Chapter of Kappa Alpha Order at the University of Southwestern was the 77th chapter to be added to the order. It strives to carry out the Southern traditions set forth by Robert E. Lee, who is the spiritual founder of the order.

KA's are active in all facets of university life and are represented in all major school endeavors.

This year will mark the 104th year of KA existence and will be celebrated by the eighth annual Ole South Ball.

Civic activities of the fraternity include Beaver Club work and the March of Dimes. Kappa Alpha's principles and achievements are all centered around the southern way of life and the world of USL.

Extremely active in many on and off campus activities Lambda Chi Alpha has shown that they are interested in the betterment of the university and the community as a whole.

Phi Kappa Theta

Phi Kappa Theta truly depicts the fraternity spirit with ease and enthusiasm. A very active group, the brothers are represented in various phases of university life.

Sponsorship of the Easter Seal Drive, participating in the Toys-for-Tots campaign, Charity Bowl, and Orphans Big Brother Day are but a few of the civic activities in which Phi Kappa Theta has been known to take part.

As the oldest of the social fraternities on the campus of USL, Phi Kappa Theta has upheld its long tradition of service to the community and to the world of USL.

Sigma Alpha Epsilon

Phi Alpha local fraternity was formed at USL in the spring of 1965 with the intention of someday petitioning Sigma Alpha Epsilon. On June 20, 1967, Phi Alpha was accepted as a collegiate chapter by the 111th Anniversary Convention of Sigma Alpha Epsilon. All the hard work and anticipation had paid off and on January 13, 1968 Louisiana Alpha of Sigma Alpha Epsilon was installed at USL.

Represented in many campus organizations such as Who's Who, Blue Key, Student Government Association, the Commerce Honor Society and Circle K, Sigma Alpha Epsilon serves the campus and community.

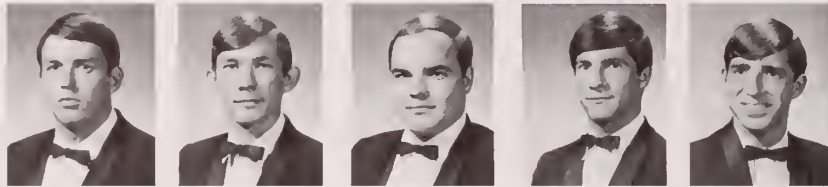

Promoting unsurpassed brotherhood to round out an active and rewarding year, SAE's enthusiasm and encouragement truly depicted the world at USL.

Working for the betterment of the members as a brotherhood as well as for the betterment of the university as Sigma Nu's outstanding goal at USL. Striving for scholastic achievement and providing financial support are the pre-requisites of membership. This chapter at USL has recently come to achieve such honors as convocation, scholastic, all sports, and homecoming awards. The Greek Week Song Fest as well as civic improvements are among the traditional undertakings of the fraternity. The promotion of a Tarahumara Indian adoption program has resulted in several organizations on campus supporting this cause.

Among others, Sigma Nu is represented in Circle K, Blue Key, Who's Who, Student Government, and the Student Union Board to help promote the world of USL.

ALPHA PHI ALPHA OFFICERS—Jimmie Harmon, Secretary-Treasurer, Patrick Green, President; Edgar Jordan, Vice-president, Coley Perkins, Director of Education.

"First of all, servants of all, we shall transcend all."—the ideal and aim followed by Alpha Phi Alpha to benefit its members, the university, the local community and all of mankind.

Through the guidance of Alpha Phi Alpha, it is hoped that the men of this fraternity add to their college lives the true bonds of fraternal unity of which social lives, physical well being, and moral character are so much a part.

Once the spirit and enthusiasm of Alpha Phi Alpha are firmly grasped by each Alpha man, he is expected to practice the ideals and promote the aims of the fraternity throughout his life. He is further expected to contribute as much as he can to aid and improve his world at USL.

Phi Delta

Phi Delta is a new fraternity founded on the campus of USL in the fall of 1966.

Though it is relatively new, it is nonetheless very active on the college scene. Phi Deltas are represented in many aspects of university life.

This local chapter has as one of its objectives the attainment of a charter of Phi Delta Theta national fraternity. It further hopes to encourage the feeling of brotherhood among its members and the promotion of social activities of the fraternity as a whole.

The members of Phi Delta intend to work hard to benefit the world of USL, as well as the city of Lafayette.

DELTA TAU DELTA OFFICERS—Russell Simon, Treasurer; Louis Booker, Corresponding Secretary; Charles Small, President; Joe Peebles, Vice-President; Marty Guidry, Recording Secretary.

Delta Tau Delta

Striving to promote brotherhood, Delta Tau Delta has continued its fraternal spirit in the new chapter begun at USL in 1967. The colony hopes to obtain its charter by the Fall of 1968.

Scholarship is exemplified by the high over-all average the brothers have attained. Friendliness and enthusiasm helped to start the first year at USL with a first place in homecoming decorations and interest in many of the various other functions.

Hoping and striving for a prosperous future, Delta Tau Delta continues to envelope the world of USL with the spirit and enthusiasm of fraternal cooperation.

Phi Kappa Psi

The newest fraternity on the campus of USL is Phi Kappa Psi. Although they have been organized for only a short time, the brothers are already showing that they plan to assume their rightful place among the other fraternities on campus.

There is little doubt that Phi Kappa Psi will soon have representation in every phase of university life and will join the other Greeks in bettering our world of USL.

Homecoming activities proved very eventful.

All college students, upon entering college, are possessed with a feeling of wanting to belong to something. This feeling is satisfied through sororities and fraternities. Through the many activities of the Greeks, goals are achieved, friends are made, and a feeling of brotherhood and sisterhood is possessed by all.

Angel Flight

The activities of Claire Chennault Squadron of Angel Flight are primarily centered around service projects involving the University and the community; and secondly, around becoming better acquainted with the Arnold Air Society and the U.S. Air Force. They have actively participated in Freshman Elections, high school speech tournaments, Homecoming parade, and Career Day. Within the community, activities include participating in the Louisiana Gulf Coast Oil Exposition and the Sports Show, and visiting handicapped children at the Johnny Scott Center. At England Air Force Base, USL Angel Flight conducted a drill performance in conjunction with an Air Force Academy game.

Leadership Training

Leadership training, the purpose of the USL AFROTC, takes place in many phases of the cadet's activities as he pursues his college studies.

This training takes the form of military courtesy and procedures in the classroom and drill on the field.

Cadets are not confined to strict training, for many other activities become part of ROTC life, such as the Military Ball, an annual picnic, and the dining in, a formal banquet for junior and senior cadets.

Also, each year a ceremony known as the President's Day Review is held in honor of the president of the University, during which outstanding cadets are given various honors for scholastic and military achievement.

Corps of Cadets

The Cadet Corps for the 1967-68 term is composed of a group under the command of Cadet Colonel Billy Haskins. All group activities are guided by the Group Commander and his staff, receiving guidance from the Detachment officers. The Group is composed of six squadrons with three flights per squadron.

Cadets are given a general military background along with a knowledge of Air Force customs and courtesies. This training is accomplished by regular drill periods and additional class work. On the drill field, a cadet is given the opportunity to practice and improve his leadership skills. His class work serves to develop the desired qualities of a USAF officer.

Accounting Forum

Officers are, from left to right: Cindy Livaudais, president; Roland Tauzin, vice-president; Peter Baudoin, reporter; Jeanette Tully, secretary; and Gerald Davis, treasurer.

Students interested in the field of accounting are invited to join the Accounting Forum. The Forum was organized as a supplementation to the accounting course at U.S.L.

In its yearly program, the Forum has dedicated a day to the purpose of promoting accounting with activities involving students, faculty, and noted individuals in the field of accounting. It also sponsors a field trip as a highlight of the spring semester.

Agri-Business Club

A newly-established organization on the USL campus, the Agri-Business Club promotes interest in the field of agricultural economics, agri-business and other closely related fields.

Regular meetings present films and speakers on topics of interest in the agri-business field.

Officers are, from left to right: Gary Luke, president; Brent Bordelon, vice-president; Keith Manning, reporter; Philip Luke, parliamentarian; and Gene Chataignier, secretary.

Agronomy Club

Officers are, from left: Bennett Landreneau, president; Leroy Kennair, vice-president; Terrell CoCo, secretary.

The Agronomy Club is open to all undergraduate students interested in agronomy or closely related fields. In addition to sponsoring and developing soil and crop judging teams, holding soil and crop judging contests, and hosting field trips, the club sponsors essay contests and other activities to stimulate interest in agronomic work. It works to acquaint members with the variety of problems and advancement in their field of study.

Aggie Club

Aggie Club officers are Terry Clement, president; Carole Hayes, vice-president; Pat Daigle, secretary; and Jim Foret, treasurer.

The Aggie Club is an organization of both men and women majoring in some field of agriculture, either in the School of Home Economics or some other phase of agriculture. The purpose of the organization is to coordinate the work of both the men and the women in the college and to cooperate with the other colleges within the University.

The Aggie Club sponsors two major social events during the year: a fall social and Aggie Day, which is traditionally held in the spring of the year. Aggie Day consists of agricultural and home economics displays, livestock shows, milking, lamb-dressing contests, and the renowned tug-of-war between the Engineers and the Aggies.

American Institute of Aeronautics and Astronautics

AIAA officers for the 1967-1968 school year are James Conley, president; Rene Robichaux, vice-president; Stephen Vincent, secretary; and John Erwin, treasurer.

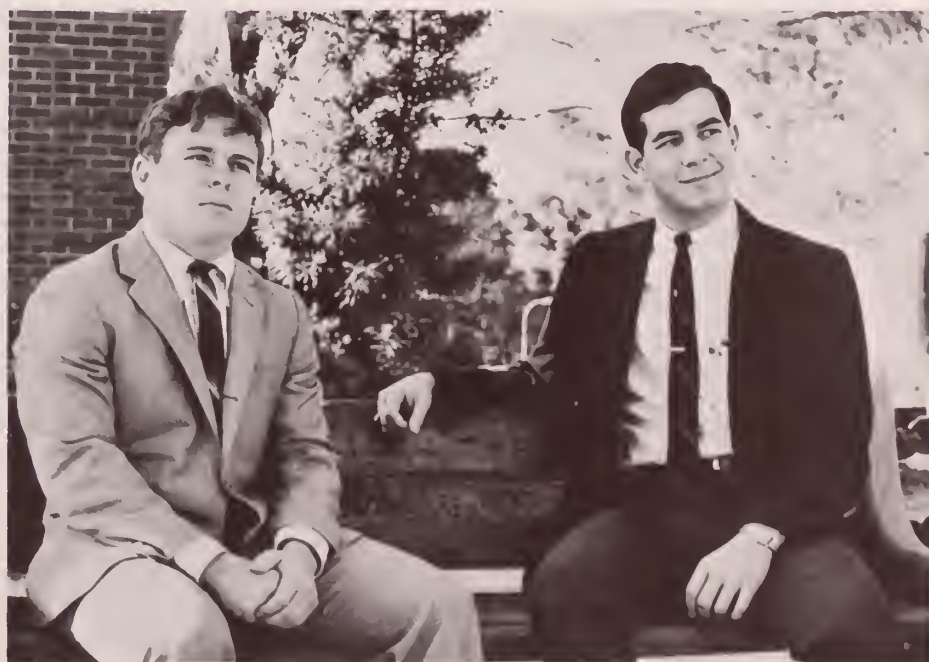

Granted a national charter in 1963, the student branch of the American Institute of Aeronautics and Astronautics has given the student an opportunity to become acquainted with the professional activities of the Institute of Aeronautical Sciences. The AIAA seeks to increase understanding of the field through industrial speakers. The student becomes closely associated with the requirements and demands of the profession and gains a closer realization of his goals.

American Institute of Chemical Engineers

Formed in 1957, the American Institute of Chemical Engineers has as its goal the advancement of chemical engineering in theory and practice and the maintenance of high professional standards among its members. Membership in the organization is reserved for students in chemical engineering.

Activities at regular meetings include educational movies or guest speakers.

Participation in an Engineering Athletic League and in the annual Engineering Day are some of the projects of this organization.

James Reinhardt, president, and Bruce Launey, vice-president.

American Society of Civil Engineers

The primary purpose of the USL chapter of the American Society of Civil Engineers is to enable the student to associate himself with his profession outside of the classroom.

Meetings are held to discuss business, to hear guest speakers from industry, and to view movies on topics of interest to the student. Field trips to various points of interest throughout the state are taken.

Officers are: Left to right: Rodney Gannuch, recording secretary; Steve Wall, treasurer; Ronald Legendre, president; Don Tanner, vice-president; Richard Young, corresponding secretary.

American Society of Mechanical Engineers

Founded in the Fall of 1956, the USL Student Chapter of the American Society of Mechanical Engineering has as its purpose the promoting of professional attitudes among the students in Mechanical Engineering. To be a member, one must be registered in the Mechanical Engineering curriculum.

Meetings are held monthly to discuss business, hear guest speakers from industry, and view movies on topics of interest to the student. Field trips are taken to industrial plants, refineries and other points of interest to give the student a better understanding of the theory he learns in the classroom. The society is also active during Engineering Day at USL.

Officers are: Raymond Guenther, president; Jabian Trahan, vice-president; Donald Richard, secretary; Carol Salsman, treasurer.

Association for Computing Machinery

1967-68 ACM officers are John Peck, president; Barbara Gulledge, vice-president; Stephen Schiller, secretary; and Cort Steinhorst, treasurer.

In May, 1961, through the efforts of Dr. James Oliver, the USL Student Chapter of the Association for Computing Machinery became the first such chapter authorized by the Association.

The purposes of this organization are to promote an increased knowledge in computer science and computer development among members and a greater interest in computing machinery and its applications among those not familiar with the computing field. Thus the student chapter provides an important relationship to the professional organization for the student in his chosen field and serves to enlighten the public concerning an expanding field of knowledge.

The organization offers a basic and an advanced computer programming course to interest high school students in the area. As part of its educational program, the student chapter also provides talks, demonstrations, and movies on topics in the field of computing.

Economics Forum

The Economics Forum aims to further the knowledge of economics and finance by having speakers and sponsoring field trips. Discussions in panel-form bring visitors to USL and give members an opportunity to ask questions on matters of world-wide scale.

From left: Jeff Moss, president of the Economics Forum; E. E. Caradine, faculty advisor; Dr. Herbert Hamilton, Dean of the College of Commerce; George Richard, treasurer of the Economics Forum; and Dr. William Phillips, faculty advisor and Head of the Department of Economics and Finance. Seated: Cathy Zimmerman, freshman, majoring in economics.

French Club

Organized to give those students interested in the French language experiences with French civilization, culture, and language practice, the French Club hosts monthly meetings which offer a variety of programs. The Club is open to any student interested in the French language, although most students have some knowledge of and skill with the language.

One of the projects which is of special interest to the campus in general is the annual presentation by French Club members of a program of French Christmas Carols. These carols are sung by the club members at a joint presentation held in conjunction with the Spanish and German Clubs.

Officers are, seated: Patsy Guillory, president; Susan Howson, vice-president. Standing: Judy Richard, secretary; Oswald Mayers, treasurer.

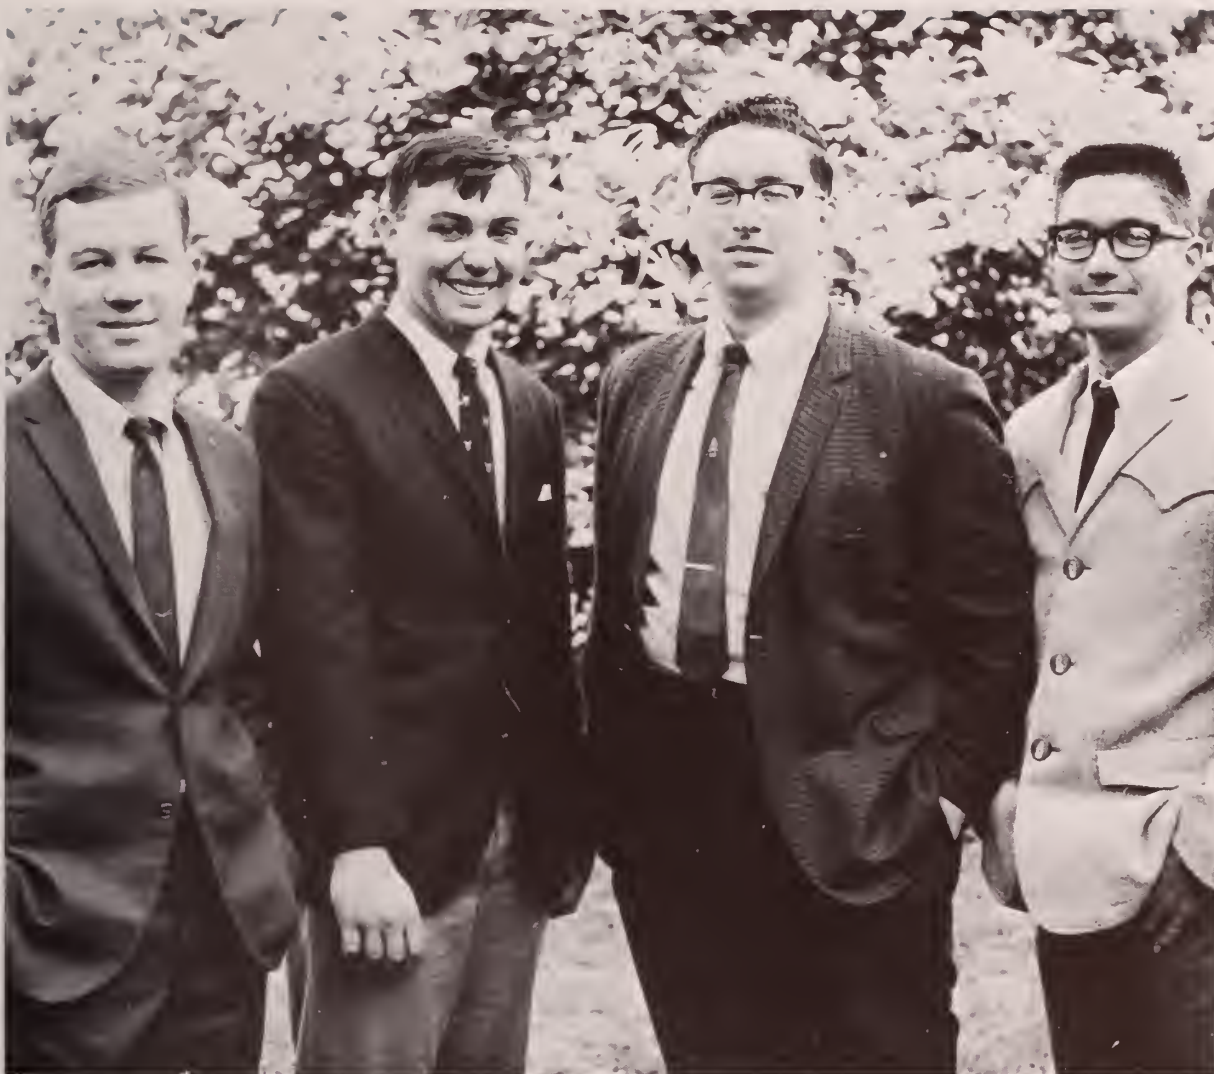

FFA

Officers are, seated left to right: J. H. "Butch" Racca, Jr., president; Gene Chataignier, vice-president. Standing left to right: Leland Vidrine, secretary; Steve Racca, treasurer; William Boudreaux, reporter.

Organized to acquaint students with the activities of the agricultural teacher, the USL Collegiate Future Farmers of America Chapter was reactivated on the campus in the spring of 1965. The collegiate chapter is very active in helping professors of agriculture conduct the area FFA judging contest, the state judging contest, and the Parliamentary Law and Public Speaking Contests.

Biological Society

Officers are: Hal Lintz, president; Don Arceneaux, vice-president; Claude Boudreaux, secretary; John Pulliam, treasurer.

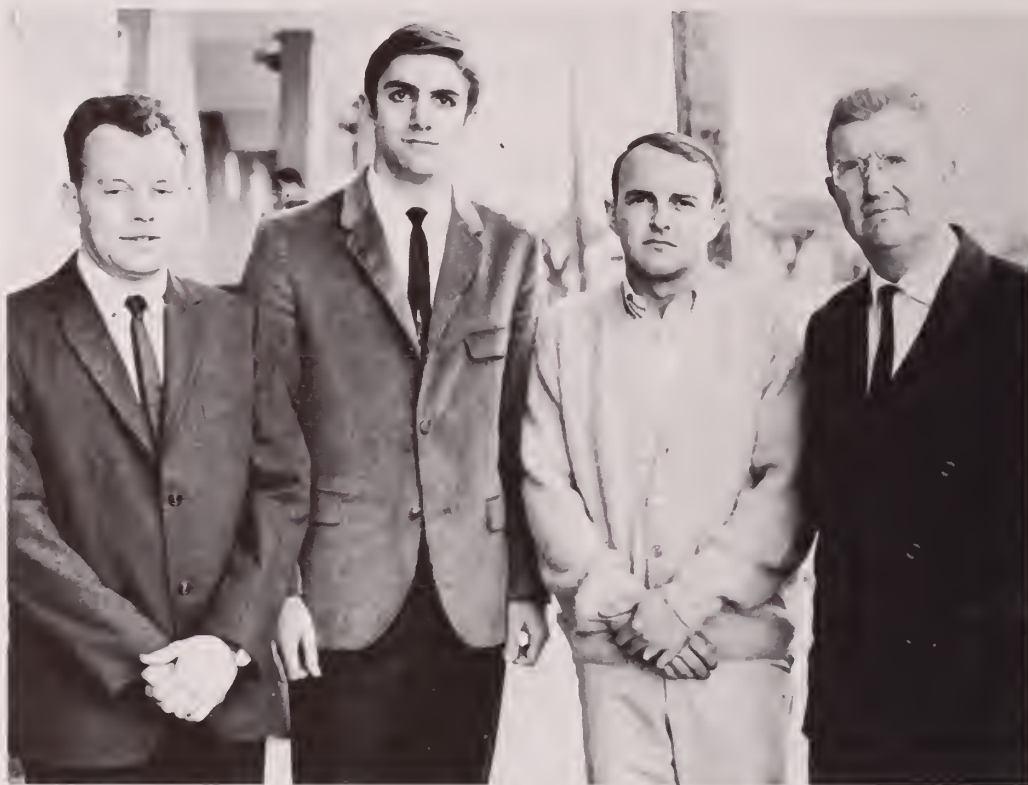

The USL Biological Society is an organization composed of all students interested in the biological sciences. Better known as the Biology Club, its functions are to promote further interest in the fields of wildlife biology, botany and zoology; and to act as a sponsor for the Audubon Wildlife Film series, thus bringing the message of conservation to the academic and lay communities. At its meetings, which are held twice monthly, the club invites guest speakers to share with the membership the latest views, discoveries and methods in their particular field of interest.

USL Geological Society

The USL Geological Society is a professional organization of geology students and instructors pledged to promote better relationships, mutual assistance and advice among students, instructors, and professionals, and to encourage prospective members of high caliber to enter the field of geology.

Members have an opportunity to join the Lafayette Geological Society and thus further their knowledge by attending meetings at the Petroleum Club as well as their own meetings.

New USLGS members are honored yearly at the annual installation banquet.

USLGS officers are Bobby Cornell, president; Kenneth Beadle, vice-president; Paul Fanta, treasurer; and Mr. William Paine, advisor.

American Chemical Society

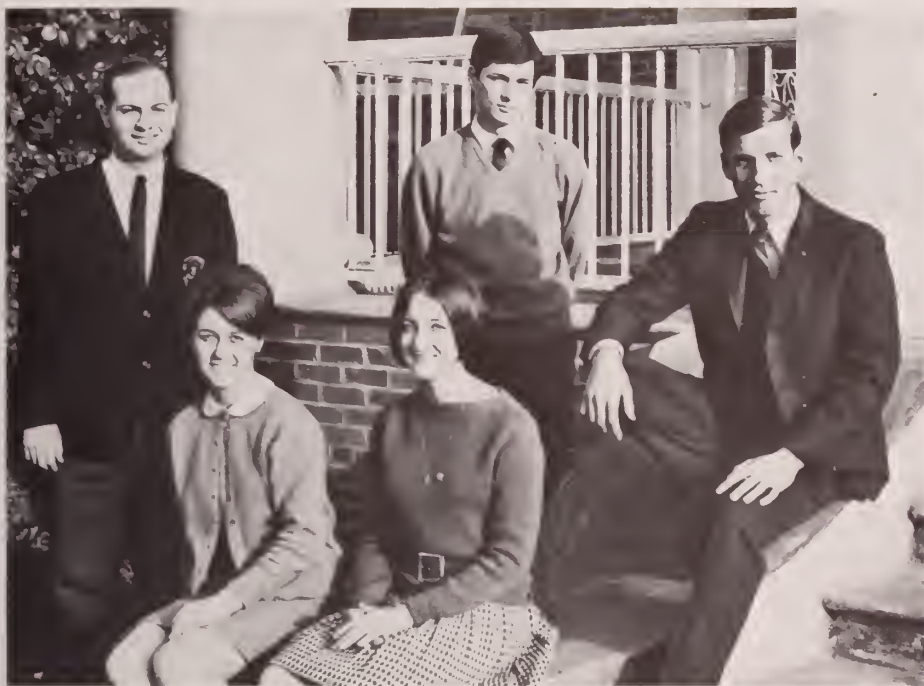

Officers are from left: Weldon Nance, secretary; Dan Yost, treasurer; Charles Hurltevant, vice-president; Raleigh Jenkins, president.

Visits to area high schools in order to stimulate mathematical and scientific interests in high school students are an annual activity of the Student Affiliates of the American Chemical Society. Members of this society share an interest in the sciences and in scientific development, particularly in the areas of chemistry and chemical engineering.

The main objective of the Student Affiliates of the American Chemical Society is to aid its members in their future careers.

German Club

Officers are, from left: Maurice Nassar, president; Diane Lewis, secretary; Susan Howson, publicity chairman; Steve Higgins, treasurer; and Austin Landry, vice-president.

In two years of existence at USL, the German Club has promoted interest in the German language, customs, and people. Membership is open to all students enrolled in German courses.

Monthly meetings hold the interest of the members by presenting films and guest speakers such as Dr. Karl Pashka, German consul general of New Orleans. Twice yearly members are treated to a home-cooked German meal by Miss Mariana Scott, assistant professor of German.

This year's highlight was the presentation, under the direction of Miss Scott, of a German play, *Die Stumme Schönheit*, at the *Deutsches Haus* in New Orleans.

Horticulture Club

Officers are, from left: Cliff Henderson, vice-president; Jim Foret, president; and Jesse Armentor, secretary-treasurer.

The purposes of this organization are to stimulate interest in horticulture and to assist the horticulture department in any way possible.

Yearly activities include the Homecoming corsage sale, an educational exhibit for Aggie Day, and preparation of a National Flower Judging Team.

The Horticulture Club has fostered a spirit of mutual helpfulness among students in agriculture.

Home Economics Club

USL was the first Louisiana university to organize a college Home Economics Club, now known as the Home Economics Chapter.

Some of the activities during the year include attending the Louisiana Home Economics Association State Convention, compiling a yearbook which is given to each member, and participating in Aggie Day in cooperation with the other members of the College of Agriculture. The chapter also engages in service programs such as Career Day along with other campus organizations.

1967-68 officers are: seated: Alma Fontenot, president; Pat Daigle, vice-president; Jean Guillory, treasurer. Standing: Susan Guidry, reporter; Russell Anne Foti, parliamentarian; and Carole Hayes, state vice-president.

Industrial Arts Fraternity

Officers are Barry Lasselgne, president; Louis Medal, vice-president; Steve Davidson, secretary; Mike Guillory, treasurer; and Al Moss, historian.

The Industrial Arts Fraternity has as its members students and faculty of industrial arts. It strives to increase professionalism, establish contacts with industry, and promote the development of industrial arts at all levels. The club sponsors field trips to various major industries and has several special events yearly.

Electrical and Electronic Engineers

Electrical Engineer officers are Roy Cosse, chairman; Brad Hamilton, vice-chairman; Eugene Schoenfeld, secretary; and Harry Heinz, treasurer.

Professional electrical engineers of the future compose the USL student branch of the Institute of Electrical and Electronic Engineers. The organization is a scientific, literary, educational, and social organization directed toward the advancement of the theory and practice of electrical engineering, electronics, radio, allied branches of engineering, and the related arts and sciences.

Monthly meetings feature either guest speakers on various topics of electrical engineering or films of interest. IEEE participates in conferences and conventions associated with electrical engineering, and publishes an annual newsletter for past graduates. The organization has also taken field trips to New Orleans Public Service, NASA, and Schlumberger in Houston, Texas.

USL Louisiana Engineering Society

1967-68 officers are Mike Napoli, president; Carol Salsman, vice-president; Harold Landry, secretary; and Francis Deblanc, treasurer.

Open to all students enrolled in the College of Engineering, the USL Engineering Society has, as one of its main activities, the promotion of fellowships for eligible students studying in the various fields of engineering. In addition, it sponsors guest speakers to discuss opportunities for careers and topics of special interest. The major activity of the Society is the planning and directing of Engineering Day during which students in all of the fields of study construct and demonstrate original projects of practical engineering problems.

Marketing Club

In order to further the interests of students in the growing field of marketing, a professional organization, the Southwestern Marketing Club, was formed in 1960. Activities include field trips taken by the members to various major companies in the area. An annual marketing banquet is sponsored and the club members actively participate in the Tulane Seminar.

Pictured, from left to right, are: Taylor Evans, president; W. G. Seaman, vice-president; Alan Abadie, treasurer; and Cathy Haydel, secretary.

Microbiology Club

Officers, from left to right, are: E. J. Shannon, president; Deanie Broussard, recording secretary; and Rosalie Ardoin, treasurer.

Fostering an interest in the microbiological aspect of life in today's world is but one of the Microbiology Club's aims. The club provides an opportunity for all interested microbiology students to meet one another and to enjoy guest lectures. A Christmas party and a field trip are only two of the Club's annual activities.

Affiliation with Phi Sigma, the national honorary fraternity for students of the biological sciences, has been completed.

National Collegiate Association for Secretaries

From left: Ann Carroll, president; Ann Guillory, vice-president; Linda Price, treasurer; Alix Broussard, deputy national treasurer.

Undergraduate college men and women planning business or teaching careers in the secretarial area are eligible for membership in the National Collegiate Association for Secretaries. The activities of NCAS are designed to encourage the exchange of experiences and to provide an opportunity to expand understanding of the secretarial profession.

State and national conventions, the Conference for Secretaries, contributing Christmas toys to orphans, Secretaries' Week, and special activities such as publication of the Campus Calendar, are some of the activities in which this organization engages.

Physical Education Majors' Club

Programs on the importance of health education, a co-educational campout, square dance night, and an inter-collegiate volleyball team for women are among the activities undertaken by the Physical Education Majors' Club.

To develop an awareness of the importance of physical education in our society, to promote the interests of physical education majors and to develop a sense of responsibility are the purposes of this club.

Officers this year are Charlene Soileau, president; Marna Manning, secretary; Ronald Baumbouree, treasurer; and Joyce Thibodeaux, social chairman.

Physical education majors practice camping skills on an outing.

Political Science Club

Pictured, from left to right, are: Wilfred Pierre, president; Tom Trautman, secretary of the treasury; Mel Tate, publicity chairman; Dr. Philip Dur, club advisor.

The Political Science Club is a non-partisan organization open to all students interested in the workings of government on a national, state, or local level.

In addition to the regular business meetings conducted during the past year, the club brought interesting and informative speakers to the campus.

"France and the New Europe" was the title of an address delivered by Pierre Mathivet de la Ville de Mirmont, Consul General of France at New Orleans.

Other speakers and their topics were: Richard Mayne, British journalist and former official of the European Economic Community, who spoke on the common Market; and Dean James Oliver, Dean of the graduate school at USL, who spoke on "The Rise and Fall of Acadiana Neuf."

The organization completed a very active year with field trips to the Vietnamese Village at Fort Polk and the International Trade Mart in New Orleans.

Psychology Club

Seeking to promote greater professional knowledge and insight, the Psychology Club sponsors field trips to various mental health and research centers throughout the state as well as films and lectures by prominent specialists in the field of psychology. An annual activity is the hosting of the Testimonial Banquet. The club seeks to keep its members constantly abreast of the many rapid changes and advancements in the fields of mental health and psychology.

This year's Psychology Club officers are, seated, Pat Cormier, president. Standing, Denise Roy, vice-president; David Mickle, reporter; and Sonja Centanni, secretary-treasurer.

Pre-Medical Society

Pre-Med officers are John Thorn, treasurer; Jerome Broussard, social coordinator; Frank Bacque, vice-president; James B. Godchaux, president.

The Pre-Medical Society is a group of men and women bound together by one main objective: being accepted into medical school. The organization is working at this goal by offering members information concerning the "ifs," "whys," and "hows" of attaining a sound medical education. The presentation of facts and films of medical interest and excursions to various medical institutions also highlight the year's agenda.

Presently, the society is organizing a directory of medical schools, which will make information on medical schools throughout the United States readily available to its members.

Society of Automotive Engineers

The Student Branch of S.A.E. at USL is affiliated with the Texas Gulf Coast Student Branch of the National Society of Automotive Engineers, and was admitted to this organization in January of 1955.

The objective of the S.A.E. Student Branch is to encourage the association of engineering students with technical societies early in the course of their studies. This enables the student to become familiar with industrial practices, engineering ethics, and conduct. The society allows students to maintain contact with certain aspects of engineering outside their studies in school. Participation in all student activities promotes the senses of confidence and leadership in the student member.

At USL, the Student Branch of S.A.E. is primarily associated with the Mechanical Engineering Department. The student chapter at USL is assisted in all activities by Dr. P. A. Chieri, Head of the Mechanical Engineering Department.

Requirements for membership are that the student be majoring in some field of engineering and in good standing with respect to University regulations.

OFFICERS, from left to right: Ned J. Bond, president; Tommy Chauffe, secretary; and Walter Evans, treasurer.

Southwestern Association of Management

The Southwestern Association of Management, commonly called SAM, was formed to conduct and promote, through research, discussion, and publications, study and greater understanding of the social, psychological, and economic implications of scientific principles of modern management.

SAM activities include guest speakers, area field trips, a summer job clearing house, and social events to promote exchanges between faculty and students.

In 1963, the Association initiated an annual Foreign Student Exchange Program with Sweden in which a Swedish student spends the summer in Lafayette attending USL and working in an American business, while a USL student spends his summer working in Sweden.

Per Axel Nygren, left, SAM exchange student brought to Lafayette last summer, exchanges impressions of America with Dennis Roy Stierle, New Orleans, who was sent to Sweden.

Sociology Club

From left: Antoinette Fournet, president; Pat Dormer, treasurer; Angela Sawicki, social chairman.

Sponsoring speakers from various agencies and taking field trips to such places as Angola State Prison and the Louisiana Institute for Juvenile Offenders are but a few of the activities enjoyed by members of the Sociology Club.

Each year a scholarship is presented to an outstanding junior sociology-social welfare student.

Southwestern Society of Petroleum Engineers

From left: Harold Horton, president; Martin Zimmerman, vice-president; Oran Hebert, secretary; Felix Spizale, treasurer.

Organized for those interested in the petroleum industry, Southwestern Society of Petroleum Engineers acts as an aid for industrial sponsored schools. National recognition has been achieved by members' participation in local and regional technical paper competition, effective public relations and the dual completed well, the only one of its kind on a university campus.

Southwestern Association of Student Nurses

The Southwestern Association of Student Nurses is a pre-professional organization designed to meet the needs of the professional nursing student. Membership is open to any student in the College of Nursing. The goals of the organization are to promote increased interest in all phases of nursing and nursing activity, to acquaint students with the problems faced by graduate nurses today and to serve as a link between other pre-professional and professional nursing organizations on local, state and national levels.

Monthly meetings are held and plans made for a Christmas project and Nursing Day activities. A monthly newsletter, *Nurses' Notes*, is published by the association and distributed to nursing students at USL.

This year the association is proud to have obtained editorship and assistant editorship of the publication of the Louisiana Association of Student Nurses, *La Pelicano*.

The Spanish Club was organized on the Southwestern campus in 1935 to promote interest in the study of the Spanish language, culture, and civilization and to promote harmony and understanding between North American students and Spanish-speaking students at the university.

Guest speakers, folk dances, music and refreshments of the different Spanish-speaking Republics hold the interest of the members at their regular meetings.

SASN 1967-68 officers are Charlene Schmitz, president; Peggy Gilmore, vice-president; Linda Bordelon, secretary; and Ann Wegener, treasurer.

Spanish Club

Spanish Club officers are Enna Acuna, president; Ken Grush, vice-president; Hilda Sagrera, secretary-treasurer; and Emilio Garcia, advisor.

Student Louisiana Teachers' Association

Seated from left: Kirby Detraz, president; Anna Lea Dubos, vice-president; Carolyn Marceaux, secretary. Standing from left: Mary Nell Domingue, treasurer; Linda Meyers, membership chairman; Cheryl Frederick, reporter; Mr. Robert Ducharme, faculty advisor.

To stimulate professional interest in the fields of its members is the purpose of the monthly meetings held by the Student Louisiana Teachers Association, the student organization of the Louisiana Teachers Association.

Focal point of the year was the Education Day Banquet, held during National Education Week, at which members met to hear guest speaker Dr. George E. Denemark, Dean of the School of Education at the University of Kentucky and the national chairman of the Committee on Educational Standards and Professional Ethics.

At the annual SLTA Convention, members throughout the state exhibit projects they have undertaken during the past year. At this time, SLTA members discuss methods of improving their organization.

American Institute of Architects

The Student Chapter of the American Institute of Architects officers are: William James, president; Rock Lassere, vice-president; Royce Leachman, secretary-treasurer; and Ed Mathes, National SAIA president.

During the summer of 1967 a group of USL Institute of Architects students attended the National SAIA convention in Washington, D.C. Two members returned holding national offices—Ed Mathes, National SAIA President, and Lyndrea Sealy, National SAIA Secretary.

The SAIA works in close affiliation with the American Institute of Architects chapter in Lafayette. SAIA sponsors an annual Architects Day consisting of lectures, pavilions, and a crawfish boil for the members. Other activities include a pig roast and the Beaux Arts Ball. The SAIA instills a feeling of professionalism through guest speakers and tours of surrounding cities and buildings.

Varsity Debate Team

The Southwestern Varsity Debate Team is responsible for bringing wide recognition and a high level of achievement to the University. Members of the team must not only show a high degree of competence in debating skills but must also have the ability to perform in the related fields of oratory, interpretation, and extemporaneous speaking. The debaters compete extensively throughout the South and Southwest and are well known as consistent winners.

The team is coached by Dr. Roy Murphy. They have been winners in the Baylor University Forensic Tournament, the Mardi Gras National Invitational Debate Tournament, the Southwest Texas State College Speech Festival, the Louisiana Polytechnic Institute Forensic Tournament, and the San Jacinto Invitational Forensic Tournament.

First row from left are: Jackie Guidry, Betty Lou Walters, Judy Hadley, and Anne Broussard. Back row from left are Paul Broussard, Charles Arceneaux, John Ray, Carroll Waguespack, Steve MacDiarmid, and Benny Fontane.

Stockmen's Association

From left: Emilie Thibodeaux, secretary; Calvin Taylor, president; David Cormier, treasurer; Butch Carsella, vice-president.

The USL Young Republicans Club, as a member club of the Louisiana Young Republican Federation, provides its members with the opportunity to participate in a variety of political activities, while remaining campus-oriented.

One of the primary functions of the organization is the training of its members for positions of party responsibility, and it fulfills this in many ways. Regular meetings feature guest speakers and seminars on campaign technique.

The USL Stockmen's Association, Inc. is an organization of students enrolled in Animal Husbandry, Dairy Husbandry, and Pre-Vet. The Association consists of people showing interest in the field of agriculture. It sponsors an annual Horse Show which is held at Blackham Coliseum and also participates in all agriculture activities. The association also helps with the breed sales and sponsors the judging team.

Wrestling Club

1967-68 Wrestling Club officers are Harry Boudreaux, president; Gary Moran, vice-president; Billy Doize, treasurer; and Tommy Mayne, secretary.

The USL Wrestling Club had its origin in a wrestling class taught by Dr. Louis Bowers of the Men's Health and Physical Education Department in the Spring of 1964.

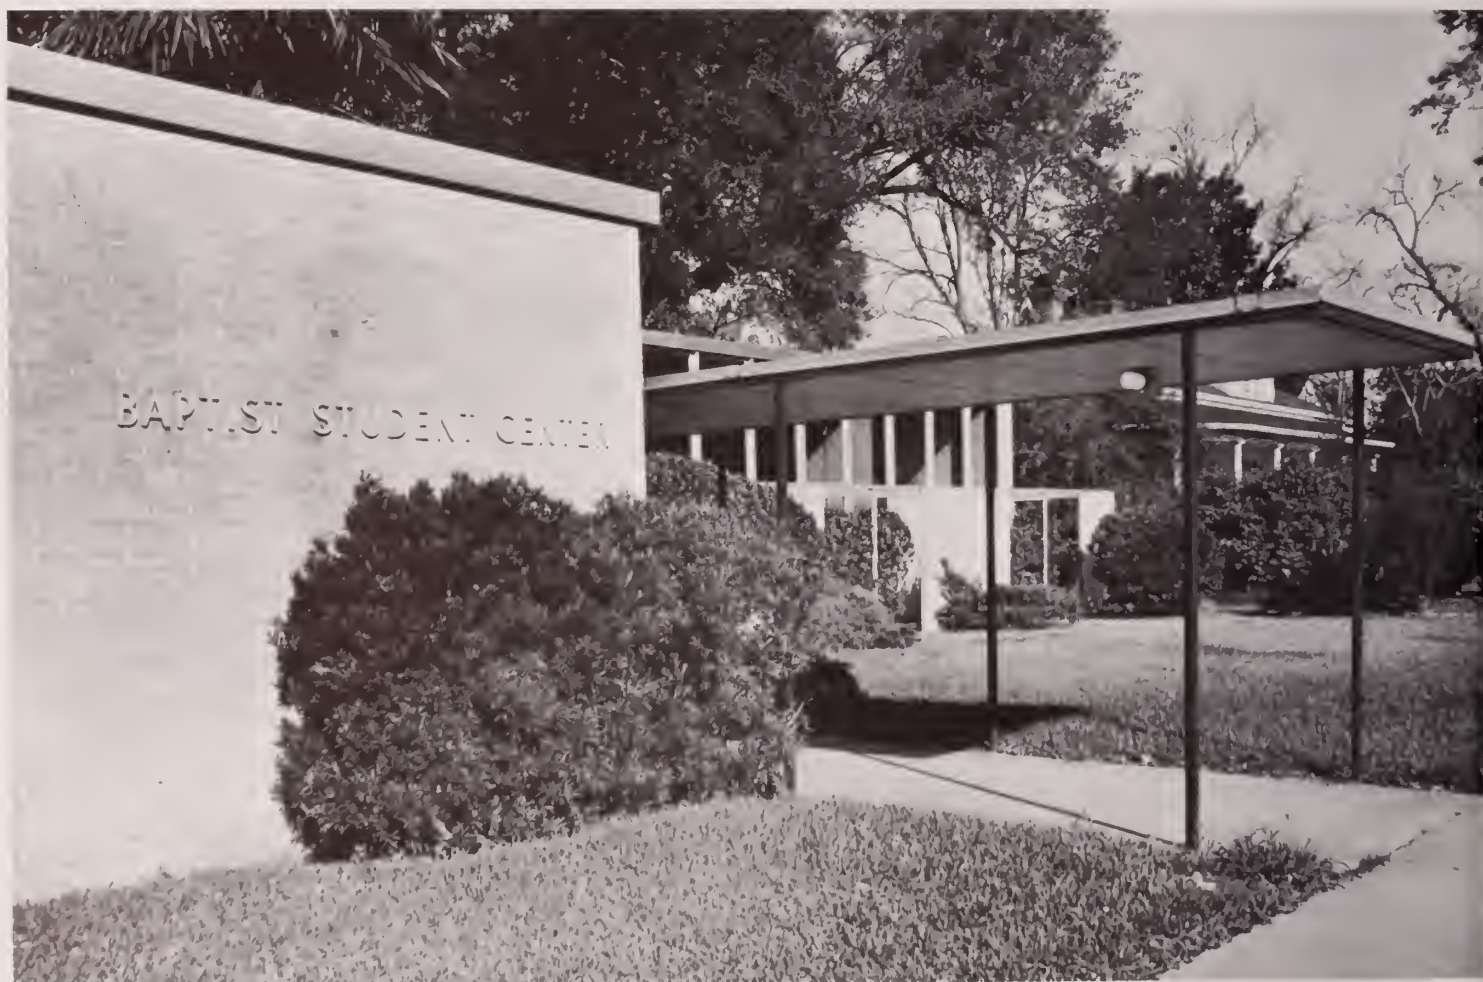

The purposes of the club are to provide an opportunity for students to develop skills in wrestling beyond the basic skills taught in physical education classes and to provide a medium through which students may compete in meets and tournaments.

The group is promoting amateur free-style wrestling in the high schools of Southwest Louisiana through clinics and demonstrations.

1967 Football

Striving to top last year's victorious season, the USL Battling Bulldogs, backed by the students and coaches, returned with spirit and enthusiasm. With six untiring seniors, the first to end their career with a 4-letter achievement, the team progressed from a pre-season fourth place to a victorious second.

The USL Athletic program was aimed at providing stern guidance and a well-rounded scholastic effort in order to better the USL standing in the Gulf States Conference.

In May of 1966, a \$3.5 million bill was signed in the state legislature for a new athletic complex, a 35,000-seat football stadium, baseball field and track—a dream-come-true for the "Battling Bulldogs".

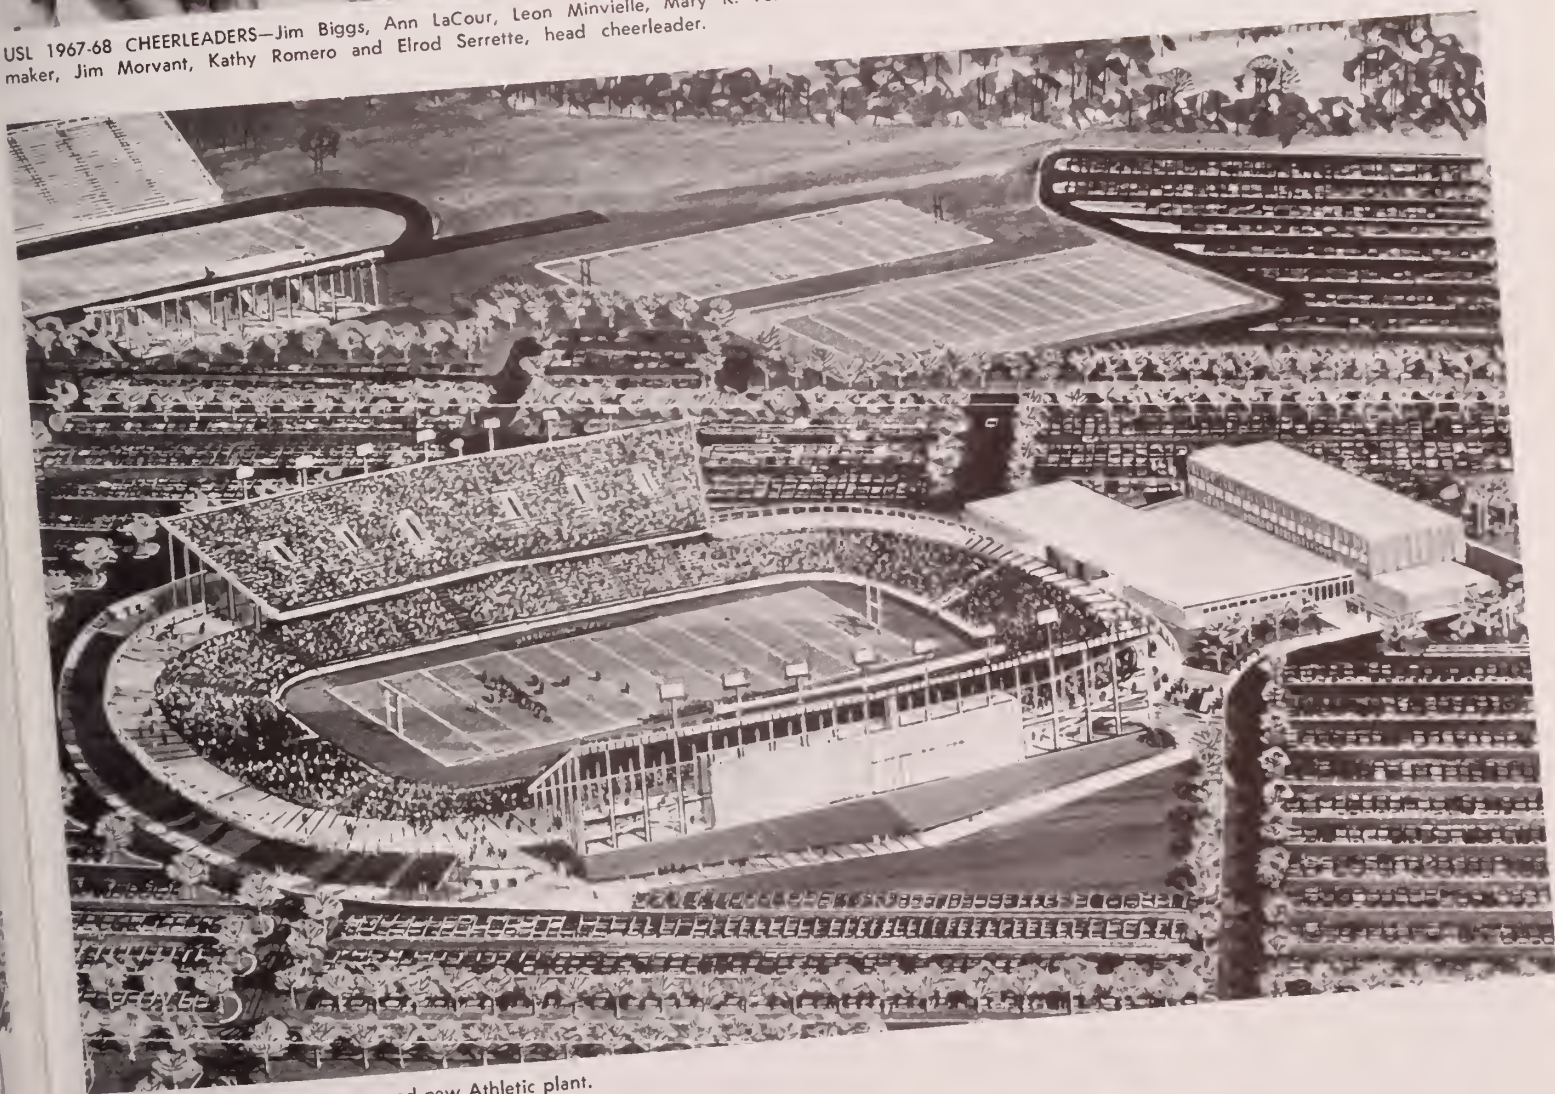

Struggle for success and victory by the team and coaches and loyal supporters exemplifies the determination and enthusiasm of the athletic world of USL.

Head Coach, Russell Faulkinberry, is proud of his six seniors, Ed Pratt, Dwight Sevin, Kent Finley, Jim Brennan, Herbie LeBlanc and Jim Edney.

Combined effort of the Ragin' Cajuns before a home crowd of enthusiastic and spirited fans spearheaded the opening game with the first victory of the year.

Starting the season on the right foot was Bob St. Amant who scored the only touchdown on a punt return for the 1967 season. Speed and the help of a magnificent blocking effort on the part of his teammates enabled him to add to the USL score. This contributed 6 points to the USL's 28-14 win.

Taking the road for the second game with hopes for another win, the Bulldogs traveled to Cardinal territory. The Battling Bulldogs stunned the Lamar Tech spectators with an offensive first half recording 13 point for the Bulldogs while holding the Cardinals to no score.

In a struggling defensive battle, the Cajuns failed to score in the second half. The overpowering forces of the Cardinals laid a heavy toll on the young Bulldog team as they scored 14 points to end the Ragin' Cajun's courageous fighting effort.

With the coveted Cypress Mug at stake, the "Battling Bulldogs" invaded Lion country to play one of the most spectacular defensive ball games ever seen.

Nine points in the first half proved to be the only score of the evening, as the Cajuns held the Lions at bay and prevented their scoring.

Encouraged by a multitude of USL supporters, the team responded to the familiar "hold that line" and stopped Southeastern's attempt to score with purely defensive know-how.

McNeese

There was no competition involved when the confident McNeese Cowboys journeyed to USL. Hoping to wrap up the GSC with a win over the Bulldogs, the Cowboys were foiled in a fabulous 31-6 victory for the Dogs.

Truly a grudge game, the Bulldogs have defeated the Cowboys for the past four years, the Cajuns were perfect in every way and could do no wrong against their opponents from Lake Charles.

The Cowboys were GSC Champions but had a losing season thanks to the spirit of the Battling Bulldogs.

Little Bob St. Amant (10) made a big impression on the huge Demon running backs.

Cross Country

The powerful USL cross-country team recorded another first by running away with its first GSC championship. Led by team captain John McDonnell, a twice All-American sophomore from Ireland, the striders turned up a record low team score for the GSC, scoring only 23 points. Cross country team scores are totaled by adding up the placements of the first five of a team. USL distance men placed all six entries within the first ten finishers; the first five of the team were led by John McDonnell with a first, followed by Ronald Landry with a second, Thomas Hopkins, also of Ireland, with a fourth, Robert Gilbert, with a seventh, and Richard Henderson with a ninth. James Romero placed tenth and was the sixth to finish; therefore, his score was not counted. Nevertheless, he prevented another team from recording a low tenth place score.

As far as cross country competition is concerned, all GSC eyes are turned toward Southwestern's Ragin' Cajuns, with utmost respect and sincere congratulations.

basketball

Basketball—National competition has become a habit.

Basketball

Head Basketball Coach
BERYL SHIPLEY.

The 1968 USL Basketball season ended with USL tying with McNeese for the GSC championship title. The Don Carr Sports Rating Services placed USL as the number one team in the nation in the college division, and AP and UPI wire services rated USL in the top 10 throughout the season.

Also, USL this year broke the record of average points per game for a single season with a score of 85.3 as compared with the old record of 82.2. USL led the GSC in defense allowing an average of only 71.6 points per game and broke two GSC and school records for most points scored and most field goals (54) in a single game. This was accomplished by defeating Northwestern State by a score of 128 to 82.

Among outstanding players and the records they established this season were: Jack Fleming, who tied the school record of playing in 103 games during his four-year career; Jerry Flake, who set a new record for free-throw percentage for any single season with a 90 percent average; Elvin Ivory, who shattered the old rebounding record set by Tim Thompson of 742 in 102 games by setting a new record of 768 in 55 games; and Marvin Winkler, who set a new GSC and school record of 144 scoring assist in 24 games.

Jack Fleming and Bob Hughes, both seniors, served as co-captains. They are two of the three seniors the team will be losing this year. Charles English, the other graduating senior, proved to be one of the most spirited basketball players ever to set foot on the USL court.

All in all USL's 1968 basketball season was one to be remembered and to emulate.

The "new" look, which has become commonplace during the recent building surge on the Southwestern campus, has brought new hopes to the Bulldog cagers. Their old home "dribbling" grounds, the Blackham Coliseum, is slowly taking on a new face as the \$611,725 renovation nears completion. The above sketch shows an artist's conception of the 7,500-seat coliseum which will be available for the beginning of the 1969 basketball season. The Dogs' new accommodations include dressing rooms and circulation area along with 600,000 square feet of roofed area. All things considered, the Dogs, along with their supporters, should find the 1969 season very comfortable.

Spring Sports—The Southwestern Relays, a highlight of the spring semester.

Gymnastics

Though the USL gymnastic team failed to win any team championships, they, nevertheless, were in contention in every meet they entered. The inability to win was due to lack of numbers, not talent.

The '67 Bulldogs gymnasts placed two of its members on the NAIA All-American team. These were National Trampoline Champion Jim Yongue and Kean Day, tops in free exercise. Other top point makers were captain Ed Callender, Sparkey Pusey and Jim Anderson. These five gymnasts placed third as a team in the NAIA Championships and second in the National AAU Championships. Jim Yongue was also a member of the USA World Trampoline Team, which competed in London, England.

Coach Hennessey, along with Milton Davis of Memphis, Tennessee, will coach the 1968 USA gymnastics team for the fifth World Championship which will be held at USL.

Tennis

All the players from last year's Co-Championship conference team returned for the 1968 season. They are Irvin David, sophomore; Bev Hoffman, junior; Skip LeBlanc, the only senior on this year's squad; Frank Mueller, junior; and Jerry Landry, sophomore. Newcomers to this year's team are Upton Giles, who brings years of tournament experience to USL and is the probable number one player; and Everett P. Jackson and Jim Gillham, who will add new depth to our championship team.

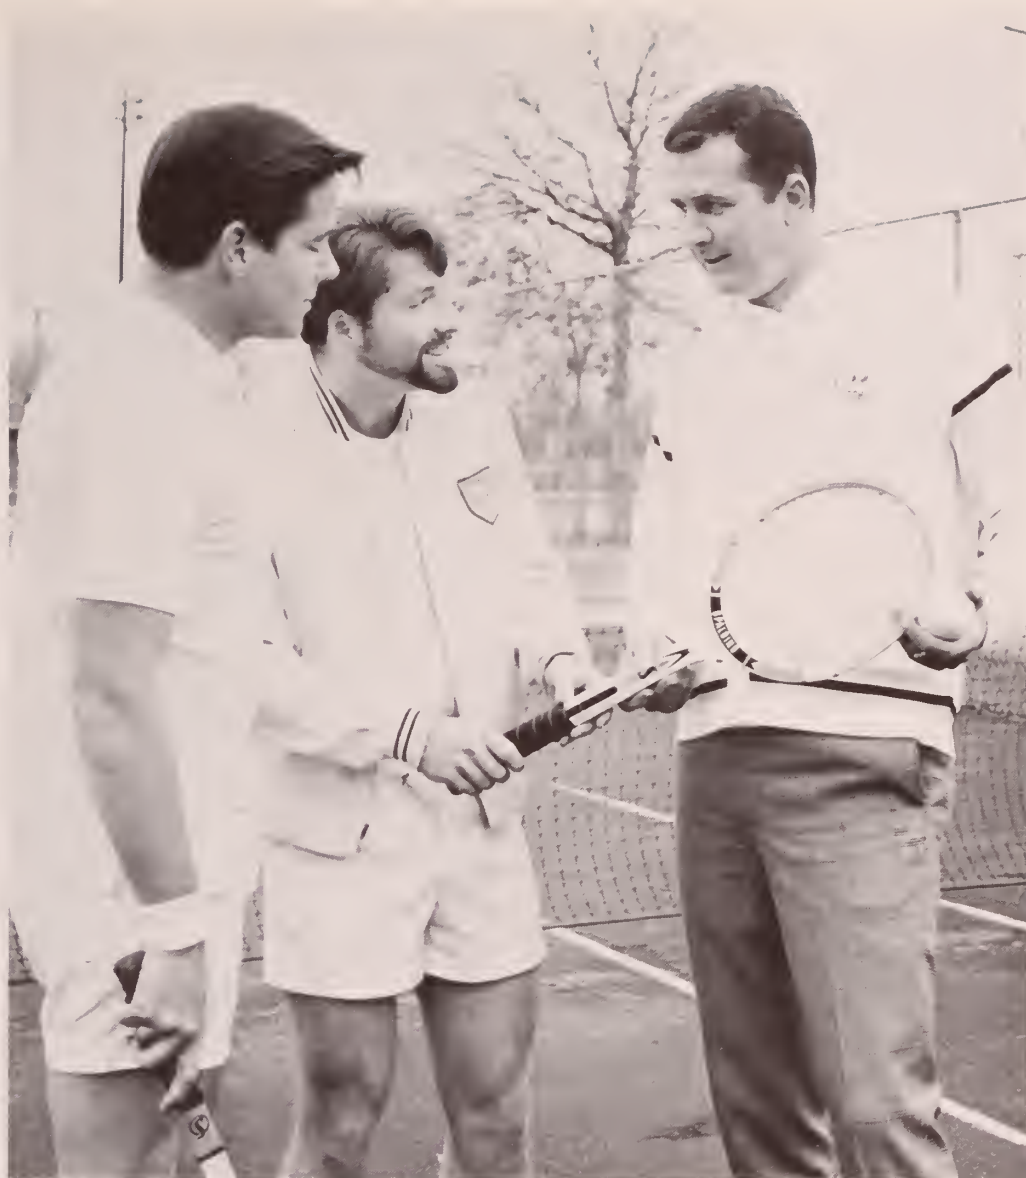

At the conference tournament in Monroe last spring a fine performance was turned in by Irvin David at the number one singles position. The spotlight, however, belonged to Frank Mueller, who breezed through his first two matches and then fought from far behind in the finals to win the Gulf States Conference number four singles championship. Then, later that day Frank teamed with veteran Bev Hoffman to win the GSC number two doubles championship as well. Because of his consistent play throughout the season and his outstanding tournament showing, Frank Mueller was chosen the Most Valuable Player on last year's squad. At USL's spring sports banquet Irvin David, number one player, received the special achievement award presented each year by the Lafayette Tennis Association.

Coach N. R. Duff gives his team a few pointers which helped him bowl a 300 game.

The Bulldogs, coached by the very able N. R. Duff, placed second in the team event at the Region 12 Tournament of the Association of College Unions International at Austin, Texas. The team also finished second in their district at the N.A.I.A. National Tournament.

In Austin, Jay Caldwell placed first in Singles and first in all-events. Winning all-events entitled Jay to an all-expense paid trip to Miami, Florida to compete with the other 15 regional winners from around the nation. Jay compiled a six-game average which was good for a second place finish to Jack Connaughton of La Crosse State College of Wisconsin. Jack represented the United States in Paris and won the world amateur title over 28 other national champions.

The tournament is held annually, and as only one senior was lost from last year, USL's keglers have a fine chance to make the trip this year.

Jack Rutherford practices hard to better his game.

Ronnie Landry uses his good sense of balance for a solid game.

Roy Cosse comes close to the foul line for a strike.

Baseball

The Cajun sluggers took the field 35 times during the '67 season, coming away victorious 14 times, eleven of which were conference wins and ranked USL fifth in GSC competition. Outstanding performances by Herbie LeBlanc, Major Swindler, Tony Geraci and Gene Brakin gave an overall weak team the needed power. In his first year on the diamond, Herbie proved to be one of the team's biggest assets. Out of 315 possibilities, he recorded only six errors and finished with a .981 fielding average. He also led the team in doubles, hitting six; in home runs, scoring three; and in runs batted in, 20. Major Swindler, center field, ended the season with a fine .818 batting average, leading the Dogs in this category. Freshman sensation Tony Geraci, led the pitchers with four wins against one loss, while allowing an average of only 1.71 earned runs per game. Senior Gene Brakin's shifty moves accounted for 11 stolen bases, high for the season.

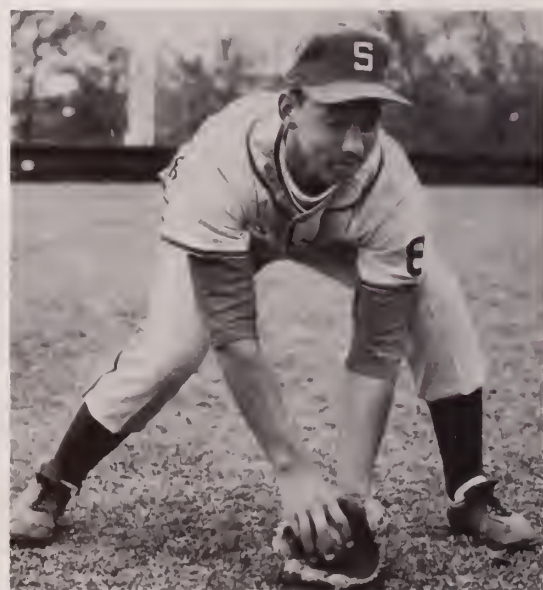

Former USL slugger and three-time letterman, Eddie Mouton, takes the team in hand for a try at the GSC title in '68. Twice voted All-GSC outfielder during his career at USL, Coach Mouton plays professional baseball for the Washington Senators and expects to carry over his record to the 1968 baseball season.

Wrestling

In its second season of serious competition, the Bulldog wrestling team is the newest arrival on the sport scene. Coached by Bob May, the young USL grapplers finished the '67 season with a four and five record. Of the nine starters, five individuals were outstanding performers and Tournament winners. Edmund Miller won the 152 pound class at the SAAU tournament and was USL's first candidate to the NCAA championships in Wilkes-Barre, Pennsylvania. Billy Doize and John Dupree were SAAU victors, while Gary Maurin and Rick Thomassie finished runner-up.

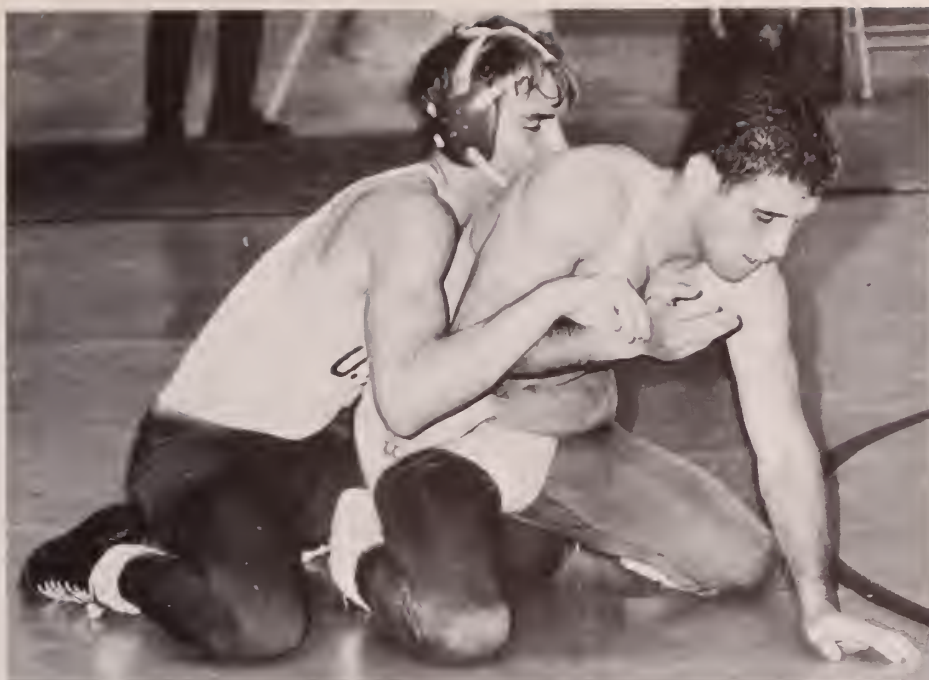

This year's squad boasts six returning lettermen with no seniors. Against a host of experienced opponents, a combination of youth and experience is reflected in the 1968 mid-season record.

Coach May uses Keith Bellow to illustrate a proper stance.

Track

The USL track team climbed to the top of the GSC ladder for the third consecutive year, outdistancing its nearest competitor, Northeast Louisiana State, by 17 points. Other team standings in the GSC race were Southeastern with 45 points, Louisiana Tech with 41 points, McNeese with 18 points, and Northwestern with 12 points.

Nine school records were shattered during the outstanding performance of the 1967 season. Stewart Blue raced to a new 440-yard dash record of 47.3 seconds. Bobby Domingues flew over the 440 hurdles with a time of 52.8; Richard Graves put his best performance forward during the Southwestern Relays, when he cleared six feet, nine inches in the high jump. Terry Segura poled his way to a height of 15 feet for another first at USL. Tossing the shot put, Joe Murry set a new mark of forty-five feet, four and three quarter inches. Louis Lenfant, two-time All-American and NAIA National Champion, reached a new mark of 235 feet, five inches in a magnificent display of superiority. Three other records were also passed by during the Southwestern Relays; they included combinations of Galen LaBauve, Jimmy Barrilleaux, Stewart Blue, Larry McCartney, Charles Beazley, Ed Domingues, and Curtis James for the 440-yard relay, the mile relay, and the sprint medley. Although no new record time was recorded for the two-mile, John McDonnell recorded one of the nation's best times for the 1967 season.

NAIA 1967 Track Coach of the Year, Bob Cole, expects a very favorable 1968 season. All but four of the GSC championship team will return. The four losses include Co-Captains Ed Domingues and Howard Trahan; Louis Maraist; and Larry McCartney.

Weightlifting

Rated as the best collegiate team in the nation, the USL weightlifters won the National Championship in 1967 for the third consecutive year. This marked the fourth time in the last five years that the strong men have accomplished this outstanding feat. Determination and hard work have proven successful. The USL team has lost few meets in the past five years.

USL is proud of these fine lifters for capturing another national title and bringing USL the national recognition it deserves. The following members represented USL in national competition in 1967: Dicky Flemming, Jay Trahan, John Arceneaux, Jim Reinhardt, Warren Perrin, George Weatherford, and Joe Murry.

As in the past, the USL lifting team is again packed with power. The experienced lifters along with the new freshman recruits are looking for their fourth straight national title, thus strengthening their record as being the most victorious team in USL's sports history.

Joe Murry makes a strong effort in Olympic press competition.

Golf

The NAIA Championship, held in Davenport, Iowa, was won for the second straight year by the USL golfers. They finished fifteen strokes ahead of the second place team, Detroit College.

Ben Freeman finished fourth in the tournament and was named to the All-American team along with Bob Rodgers and Tommy Thomas. Mike Shea and Don McMath rounded out the team, with Mike Shea finishing in the top 15 in the tournament.

USL participated in the NCAA College Division tournament for the first time in 1967 and finished fourth. The Bulldogs finished with a 13-1 record for dual matches, losing only to Lamar Tech, the NCAA College Division Champions. Over the past four years, the golf team has accumulated a record of 51 victories to only four defeats in dual match competition.

The Bulldogs won the GSC tournament held in Monroe for the second straight year. Ben Freeman and Bob Rodgers were named to the All-GSC first team.

Alpha Lambda Delta is a national honorary society dedicated to promoting and recognizing high scholastic achievement by freshman women. Founded at the University of Illinois in 1924, Alpha Lambda Delta today has 143 active chapters throughout the nation. Membership is restricted to freshman women who have maintained a 3.5 or better grade average for two semesters. The society is chiefly active in providing scholarships at the national and local level and programs which recognize the students' achievement.

At USL Alpha Lambda Delta holds an annual Spring Tea which allows the initiates to meet the active members.

Angel Flight is an honorary service organization of college women who have an interest in the United States Air Force, the Air Force ROTC, and the Arnold Air Society. The purpose of the Flight is to foster good relations between the cadets and the Angels and to promote the interest of the college man in the AFROTC program.

Angel Flight girls can be seen drilling with ROTC, marching in parades, sponsoring social functions for the AFROTC, or working at a school or community service project. A major annual project of Angel Flight is the "Bulldog Blackouts" talent show. This year the Flight traveled to England Air Force Base, where they were guests at a football game between the Air Force Academy of Colorado and Tulane University.

The Flight is part of the Claire Chennault Squadron and is a member of Area C-2, which consists of eight squadrons in four southern states.

The Honor Society of the College of Commerce seeks to recognize scholastic excellence in all departments of the College of Commerce. Striving to develop and encourage a progressive attitude among future business leaders, the Society elects to membership both men and women of the undergraduate level who attain high scholastic achievement. Members are selected from students who are in the upper 20% of the junior and senior classes of the College of Commerce, who have a minimum of 2.8 overall average, and who have completed one semester in the College. Qualified students are elected to membership by a majority vote of the active members.

Activities of the Society include frequent visits by guest lecturers, the sponsorship of an award to the graduating senior with the highest average in the College, and an annual membership installation-and-awards banquet.

Alpha Zeta, a national honorary agriculture organization, was founded in 1897 at Ohio State University for the purpose of promoting agriculture while encouraging and developing its actual and potential leadership.

The USL chapter petitioned the national fraternity at the biennial conclave in September, 1964. The conclave voted unanimously in favor of the USL petition, making USL the fifth non-land grant college in the nation to have this honor bestowed on it.

Members are chosen according to the qualities of high scholarship, fine fellowship, and sound character. To qualify for membership, a student must have completed at least one and a half academic years in the college; his overall average must place him in the upper two-fifths of his class; and he must receive not less than 96% of the vote of the membership.

Omicron Delta Epsilon

One of the newest national honor organizations, Omicron Delta Epsilon was founded January 1, 1963, by merging Omicron Delta Gamma, founded in 1915, and Omicron Chi Epsilon, founded in 1956.

The honorary economics organization states as its purpose the recognition of scholastic attainment, the establishment of closer ties between students and faculty in the same school and with their counterparts on other campuses, and the publication of an official journal, *The American Economist*.

USL's chapter of Omicron Delta Epsilon, Beta of Louisiana, is partially an outgrowth of the Economics and Finance Forum that was originally organized as the Economics Forum in October, 1948. Beta of Louisiana seeks to emphasize thought on economic questions and to promote an arena for the discussion of economic theories, problems and policies.

Organized at USL in the spring of 1965, Gamma Beta Phi is an honor service organization for students in American colleges and universities. Gamma Beta Phi was instituted in March 1964 by a group of college educators in Atlanta, Georgia.

Members assist and encourage college students to attain and maintain academic excellence in college courses and encourage and assist qualified high school students to continue their education in institutions of higher learning.

Gamma Beta Phi is the only service-scholastic organization for men and women from all fields of study. Members attend the state Beta Club convention in Baton Rouge, Louisiana, and set up booths manned by students who give information concerning USL and their organization. A "Beta Buddy" system is maintained by which each member has a freshman buddy who was previously a high school Beta member. "Beta Buddies" help one another when possible. Members also participate in university functions and conduct a tea for high school Betas during Literary Rally.

Phi Mu Alpha Sinfonia

Members of Phi Mu Alpha Sinfonia, a national honorary music fraternity, seek to advance the cause of music in America, to foster the mutual welfare and brotherhood of music students, to develop the truest fraternal spirit among its members, and to encourage loyalty to the alma mater.

The Delta Epsilon chapter, founded on the USL campus in 1948, has always been active in the musical life of both the school and the community. An annual fund-raising variety show finances the James C. Cherry Memorial Scholarship, which was established to assist a worthy music student.

Arnold Air Society

Arnold Air Society, a national honorary military fraternity for Air Force ROTC cadets, is represented at USL by the Claire Chennault Squadron. The squadron was formally chartered on May 1, 1950 and was the first new squadron to be accepted by the original sixty squadrons of Arnold Air Society. The squadron selected its name from the famous commander General Claire Chennault, of the World War II "Flying Tigers".

During the past year Arnold Air has initiated sixteen outstanding pledges. The formal initiation banquet also served as an opportunity to make public the new sweetheart, Cathy Haydel, a member of Angel Flight. The Squadron sponsored and organized the annual USL Homecoming parade. An inter-campus organization communications box was constructed by the Squadron and installed in an easily accessible area on campus. The Squadron held the Military Ball in March, complete with a nationally known band.

Kappa Delta Pi, a national education honor society for both men and women at undergraduate, graduate, and professional levels, promotes the principles of learning and teaching. The Society seeks to promote scholastic and professional achievement in the field of education. Members include those students enrolled in the College of Education who maintain a 3.0 grade average or higher and are approved unanimously by the membership.

Kappa Delta Pi publishes two quarterly magazines, "The Educational Forum" and the "Kappa Delta Pi Record." This year delegates from all national chapters met in March in Denver for the Kappa Delta Pi biennial convention.

Delta Iota Chapter at USL holds two semi-annual initiations in the fall and spring semester. One of its major campus activities is the co-sponsorship of Education Day at which the chapter awards the Maxim Doucet-Kappa Delta Pi scholarship to an outstanding senior in the field of education.

Sigma Alpha Iota

Sigma Alpha Iota was founded June 12, 1903, at the University School of Music, Ann Arbor, Michigan. Iota Omicron Chapter was brought to USL on December 4, 1941, and is classified as a "professional fraternity" for women in the field of music.

The local chapter renders service to the Department of Music by ushering for concerts and publicizing cultural events. Among the completed projects for this fall are participation in the USL Carol Night and a lecture concerning the translation of music into braille.

The fraternity seeks to promote music and the musical profession through the attainment of higher standards of scholarship and performance.

Phi Kappa Phi was the first honor society to recognize superior scholarship in all fields of study and to take into membership the highest ranking students from any branch of learning.

Since chapters elect from only the upper ten percent of a graduating class, including not just one or two specialized fields but all disciplines at a college or university, membership is a mark of distinction unequaled by any other scholarly group.

This society believes that it has another unique value. By bringing together representatives from many different interests, it broadens the democratic base of all education and assures stronger support for scholarship. Although emphasis is on scholarship, the society recognizes that excellent character is an inseparable attribute of its members.

The Greek letters PKP stand for the society's motto—PHILOSOPHIA KRATEI PHOTON, "The love of learning rules the world." Phi Kappa Phi has accepted this motto as a goal rather than a *fait accompli*.

To mark in a fitting manner those who have conferred honor upon their alma mater by distinguished scholarship and exemplary character as undergraduates in engineering, or by their attainments as alumni in the field of engineering, and to foster a spirit of liberal culture in the engineering colleges of America, Tau Beta Pi was founded at Lehigh University on June 15, 1885.

Men whose scholarship places them in the highest one-eighth of the junior class or in the highest one-fifth of the senior class are considered for membership on the basis of character, integrity, and unselfish activities.

Delta chapter at USL, founded in 1960, strives to create an atmosphere of harmony and understanding between student and professor by sponsoring twice annually a smoker to which faculty and future members are invited.

scholarship achievement grants

Grants

Most forward-looking corporations and firms earmark funds for education, because they recognize the contribution being made by colleges and universities in training leaders for management and developing talent needed by industry.

USL's record of academic excellence has encouraged industry to set aside gifts of money for USL either as unrestricted grants or earmarked for specific purposes.

With the rising cost of education, grants such as these are much appreciated by the University. Many other individuals and corporations have made gifts to USL this academic year.

Dr. T. B. Metcalfe, department of chemical engineering head, receives a cash grant from J. Inge Grant, sales engineer for Electronic Associates, to be used to stimulate interest in computing machinery.

Walter Dobie, left, president of the Lafayette Geological Society, presented USL with a grant for scholarships for top USL engineering students. Receiving the awards are John Melancon, Robert Cornell, Donald Bolt, Thomas Mako, and James Reinhardt.

M. C. Coleman, seated right, Gulf Oil Company representative, presents an unrestricted grant of \$1000 for the Department of Petroleum Engineering to Dr. Wayne Wallace. Standing are H. C. Morgan, Gulf Oil Co., and Dr. Paul Bercegeay, Petroleum Engineering Department Head.

Kenneth Beadle, senior in geology, and William Paine, associate professor of geology, examine a file of well logs of Wilcox wells in central Louisiana-central Mississippi given to the University by Harold Moss.

Manning Riser, representative of the E. D. DuPont de Nemours Company presents a \$2500 check in the company's aid-to-education program to Dr. Clyde Rougeou.

Robert A. Matteson, Sun Oil Company, presents Dr. Clyde Rougeou with a check for \$800 from Sun Oil for scholarships for the petroleum engineering department. Standing from left are: Harry Adams, Jack Manes, and O. T. Adams, Sun Oil officials.

Scholarships

In national competition USL students have won an impressive number of scholarships and fellowships for graduate study and research.

Because of this USL is recognized for its academic excellence.

Miss Betty Broussard, right, is presented the four-year scholarship recently established at USL by the Himel Motor Supply Company of New Iberia. At left are Ray Himel, president of the company, and Mrs. Himel.

Carolyn Ortego, president of Sigma Theta, presents Susan Guidry an award for attaining the highest scholastic average as a freshman in home economics.

Dr. T. J. Arceneaux, dean of the College of Agriculture, presents Dale Delcambre, winner of the Home Economics scholarship, and Albert Aguillard, winner of the Agriculture scholarship, Borden Scholarship cash awards of \$300 each.

Dr. John McCampbell presents Louisiana Land and Exploration scholarships of \$500 to Michael Brennan, junior majoring in Geology, and to Kenneth Beadle, a senior in geology.

Dr. Ray Authement congratulates Peggy Berniard and James Massengale as winners of the \$400 USL Bookstore Scholarships. At right is Henry Barker, bookstore manager.

Dr. Amos Simpson congratulates Thomas Gooch and James Shay who were named to receive Woodrow Wilson Fellowships.

George Richard, Charles Trent, chairman of the "Mom" Peterson Loan Fund, Dalton Landry, and Richard Guillory discuss the loan fund established in memory of the late housemother of Roy Hall.

Sandra Bonin, center, and Darryl Burns, advertising design students, are presented \$200 scholarship by Pat Huval, Huval Baking Company General Sales Manager.

Dr. M. B. Eyster congratulates Donald Arceneaux and Dr. Jerome Shireman congratulates Ronald Dugas on receiving Louisiana Land and Exploration scholarships in Biology of \$500 each.

Miss Ann Louise Gerac, senior in nursing, receives her commission as a lieutenant in the Army Nurse Corps. Captain Osa Jensen looks on as Mayor J. Raymond Bertrand administers the oath.

Dr. Hosea Phillips, right, notifies Gerald Johnson and Chris Ritchey that they were awarded scholarships by the French government for a year's study in France.

Mrs. Emmons Sebenius, left, chairman of the Lafayette Service League's Music for Youth Committee, presents checks to Miss Martha Burrough and Fred Abdella, this year's winners of the music scholarship. Looking on is Dr. James Burke.

A moment of hurried study ...

President of the University

Dr. Clyde L. Rougeou

As he rounds out his second year as president, Dr. Clyde L. Rougeou continues to push for the development of the University to its fullest potential in his concern that the overall learning experience of a student provides him with the kind of education that makes for leadership.

Academic development and physical plant expansion are seen by Dr. Rougeou ultimately as student benefits. Academic progress this year was made with the authorization to offer the Master's Degree in Computer Science, approval by the State Board of Education of the Ph.D. program proposal, inception of the Freshman Division program, implementation of the Louisiana Colonial Records project, holding of NDEA Institutes and faculty and student research.

Expansion at the physical plant is evidenced by the completion of the Dupre Library expansion and other constructions.

Now in residence on campus, Dr. and Mrs. Rougeou and their nine children and four grandchildren are often seen about the campus.

Vice-President of the University

Dr. Ray P. Authement

The University of Southwestern Louisiana's energetic young Vice President has transferred his qualities of leadership and intellectual capacity, which made him an outstanding mathematics professor, a lecturer in the U.S. and Canada, and a National Science Foundation teacher, to his duties as vice president of this growing university.

Dr. and Mrs. Authement, the parents of two daughters, are to be seen at many campus and community social events.

Mrs. Authement pours at the Alumni Coffee.

Dean of Women

Within the office of the Dean of Women a USL girl can find both a helping hand for problems and a smile and friendly encouragement for special occasions. Dean Agnes Roth, in her years of service at USL, has always made each and every girl feel as if she were special and individually important. Working beside Dean Roth, Associate Dean Mary Olive McPhaul serves as a warm and friendly counselor.

The Dean of Women's office also serves as coordinator of all women's activities, headquarters for AWS, and advisor to all women-sponsored organizations.

College of Agriculture

In preparation for efficient and capable living, service to their community and efficient citizenship, the College of Agriculture endeavors to contribute to the student's personal, social, and intellectual development. In addition to training students for their professions in the fields of agriculture and home economics, the College assists students in meeting needs of their state, nation, and foreign countries.

There are five departments in the College of Agriculture—Agricultural Engineering; Animal Husbandry; General Agriculture; Plant Industry; Vocational Agriculture; and a School of Home Economics.

The five undergraduate curricula in the School of Home Economics are General Home Economics, Home Economics in Business, Institutional Administration and Restaurant Administration. The curricula prepare the student to serve as high school home economics teachers, home demonstration agents with cooperative Extension, dietitians, home service consultant with utility companies, health and welfare consultants, fashion coordinators and interior consultants in retail stores and managers of restaurants, cafeterias and large food establishments.

The three graduate programs prepare home economists for positions as supervisors of student teachers, parish and state supervisors, teacher trainers, and leadership positions with organizations employing home economists.

College of Education

Attempting to fulfill the obligation which the University has for the advancement of knowledge and the pursuit of learning, the College of Education has dedicated its resources to the attainment of a superior teacher education curriculum. The objectives of the teacher training program are (1) preparation of professionally selected teachers who will be liberally educated, competent in their subject areas, aware of their professional and social responsibilities, and responsive to the moral and aesthetic responsibilities inherent in their position in society; (2) recognition and encouragement of productive scholarship and educational field services as essential in the ideal of modern education.

The College of Education offers curricula in kindergarten education, lower and upper elementary education, and secondary education.

Students pursuing a secondary school curriculum may major in the fields of: Art, Industrial Arts, Music, Social Studies, Speech and Hearing Therapy, Home Economics, Business Education, Foreign Languages, Mathematics, Science, Speech, Health and Physical Education, Vocational Agriculture Education and Vocational Agriculture Farm Mechanics.

The Department of Industrial Arts also offers curricula in Industrial Technology, and Industrial Education which does not prepare students for teaching.

College of Engineering

The College of Engineering strives to prepare its students for careers in design, construction, and research in industry. Not only are there career studies designed to be personally satisfying but also to be of service to the community which they serve.

To exemplify the ideals of engineering design and construction the College has been housed in a contemporary building which makes the best use of materials and construction. Each of the six engineering disciplines has well equipped laboratories, lecture rooms and design rooms for instruction purposes.

The College of Engineering offers the following professional curricula: Chemical Engineering, Civil Engineering, Electrical Engineering, Mechanical Engineering, Petroleum Engineering, and Geology. The curricula of all departments of the College of Engineering are accredited.

Progress in the future will be extended through the endeavors and efforts of these students, no matter what phase of engineering in which they may specialize.

Dr. Lewis T. Graham, Dean of the College of Liberal Arts

College of Liberal Arts

Enhancing a student's potential and enriching his innate abilities by providing a well rounded education based on a curriculum of arts and sciences is the goal of the College of Liberal Arts. It endeavors to develop a student's intellectual initiative and affluence of thought and to develop an effective philosophy of life, a well balanced personality, and a strong character.

Included in the College of Liberal Arts are the School of Music and the School of Art and Architecture. Pre-professional programs are offered by the college in: Dentistry, optometry, law, Medicine, Medical Technology, Pharmacy, and Medical Records Librarian.

The General Courses required in the curricula of the other graduate colleges are provided by the College of Liberal Arts. It embraces the following departments in which students may pursue his studies: Aerospace Studies, Interior Design, Botany, Chemistry, Geography, History, Economics, English, English-Journalism, Foreign Languages, Mathematics, Microbiology, Physics, Political Science, Psychology, Social Welfare, Sociology, Speech and Zoology.

Miss Helen A. Meyer, Dean of the College of Nursing.

College of Nursing

A basic curriculum in general courses and in biophysical and behavioral sciences for professional nursing are offered to all students in the College of Nursing. In addition to essential course requirements, attainment of comprehensive testing and demonstrated physical, emotional and ethical competence are required.

Four major fields of study included in the basic curriculum are: Medical-Surgical Nursing, Maternal-Child Health Nursing, Psychiatric Nursing, and Public Health Nursing.

Graduates are prepared for professional nursing practice in such areas as: all types of hospitals, the armed services, private practice, public health, visiting nurse associations and state and federal government agencies, as well as for graduate studies.

Clinical laboratory practice is obtained at Lafayette Charity Hospital, Lafayette General Hospital, Lafayette Parish Health Unit and Southeast Louisiana State Hospital at Mandeville, Louisiana.

Graduate School

Dr. James R. Oliver, Dean of Graduate School.

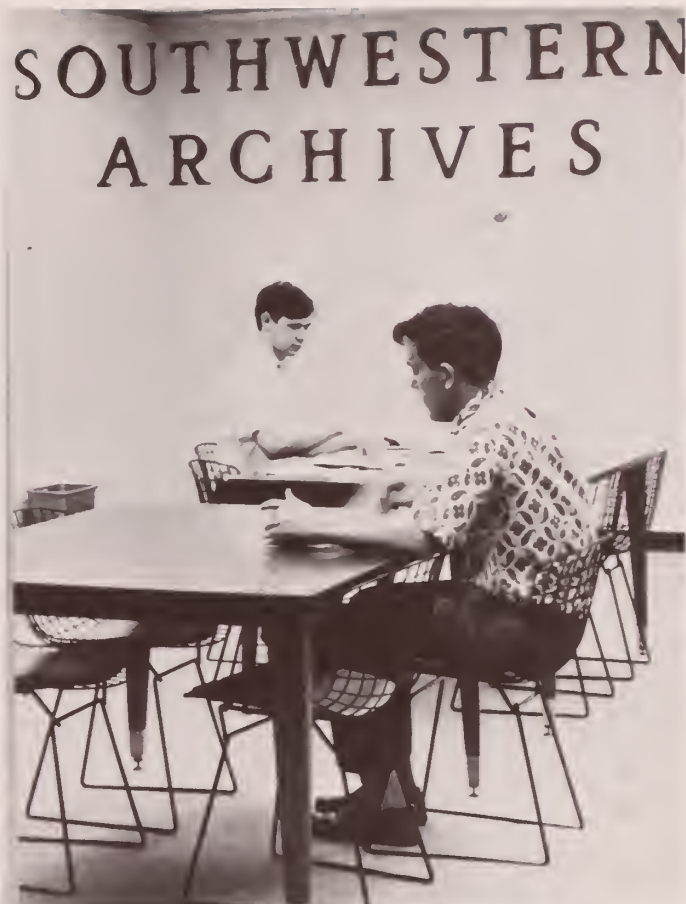

Members of the USL Graduate Council are First row from left: Dr. William Flannery; Dr. Mary Dichmann; Dr. James R. Oliver; Dr. Amos Simpson, and in second row: Dr. Lewis T. Graham; Dr. Louis Coussan; Dr. Charles Cain; Dr. Howard Turner; and Dr. P. A. Chieri.

University Libraries

Dupre Library, the main library of the University library system, has now expanded into two additional floors, completed last August, making the Dupre Library one of the largest and most modern library buildings in the South. Its collection now numbers more than a quarter million books.

The Horticulture Library in the Ira S. Nelson Horticulture Center with its collection of 5,000 books and a unique collection of books in the French House, donated by the French government, are also part of the University library system.

Special features of the Dupre Library are the Southwestern Archives and the Louisiana Room collection.

Students use the special facilities of the library.

Members of the University Libraries System faculty are, seated from left, Miss Loma Knighten, associate director in charge; Miss Norma Durand, cataloger; Miss Cecile Judice, order librarian; Miss Pearl M. Segura, Louisiana Room librarian; Miss Elsie Owen, government documents librarian; Miss Glenda Garst, humanities librarian. Standing from left are F. Landon Greaves, circulation librarian; Miss Julia Duke, periodicals librarian; Miss Anne Batson, assistant cataloger; Dudley Yates, assistant director; Miss Dora Mae Thibodeaux, social science librarian; and Bruce Tribble, assistant cataloger.

That's all, folks!

Huck Finn once said, "If I'd a knowed what a trouble it was to make a book, I wouldn't a tackled it . . ."—but for every trouble there was a bright spot; for every almost-impossible-to-meet-deadline, a bright green punch-ball. At low moments we found ourselves in complete agreement with Huck, but most of the time we were having the time of our lives editing the '68 L'Acadien. We wouldn't have given up for the world. The world—again the word appears—"world." You have, we are sure, noticed the recurrence of that word and, unless you are reading the book backwards, have realized that the WORLD is our theme.

The world is a pretty big thing, and so was the production of this annual. In the last paralyzing weeks, when only special efforts could rescue the L'Acadien from the disastrous effects of an unforeseeable complication, the selfless dedication of our remaining staff made the appearance of this book possible without loss of quality or purpose.

We owe a debt of gratitude to many people. Our heartfelt thanks to all who helped us with original copy and photographs, who showed up within ten minutes for a quick last-minute "action shot," and/or who responded pleasantly to our any-time-of-the-day-or-night telephone calls.

Ours was a small but diversified staff, but without their assistance we could never have met our deadlines. Tim did a great job on his University Life section and, often more important, offered his car to take us on much-needed breaks. Kathy and Jimmy, despite many obstacles, completed the Greek section within their deadline. Eddie and Susan worked tirelessly on the Faculty pages, as did Sonny on the Religious and Publications sections. Then there's Pat, our Fine Arts editor, whose work on the L'Acadien led to a job at Taylor Publishing Company. Sherwood has produced the finest Sports section ever, even if he did keep odd hours. Bob did just about anything that no one else wanted to do including helping Peggi, who was finished with the Beauties section by the very first deadline, when she unselfishly offered to fill the empty position of Military editor. And we must not forget Chris and her roommates who labored excessively over the much-dreaded index. Yes, ours was a small but diversified staff . . .

Without Mr. Stephan, we would not have the great photographs you see throughout the book. And Miss Mamelakis . . . a friend as well as an advisor. Her patience and helpful hints were guides without which we would have been lost. Her walnut ice-cream cones cheered us up when we really needed it. Many times did she burn the midnight oil when we brought her pages to approve the night before a deadline. And last but not least, we must thank each other, if for nothing more than a friendship that helped us keep our sanity in the most trying of situations.

But that is all in the past and the '68 L'Acadien, once only a figment of our imaginations, is now in your hands. It was worth the effort we have put forth if it has but captured a few memories for you, if someday in the future you can pick up the '68 L'Acadien and think to yourself, "This is USL, 1968."
